Dear Mr. Packer:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 11-248 and proposed by the Indiana Gaming Commission ("IGC"). The proposed rule adds 68 IAC 1-16-3.3 concerning the duty of casino licensees to prevent certain persons from winning certain promotional event prizes. The proposed rule adds 68 IAC 2-3-9.4 and 68 IAC 2-3-9.5 concerning gaming by persons associated with a casino or supplier licensee. The proposed rule also adds 68 IAC 1-3-9.6 to make immediate family members of certain occupational licensees ineligible to win certain promotional event prizes.

The economic impact statement prepared by the IGC indicates that no casino licensees meet the definition of a small business and consequently, no small businesses would be affected by the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.
