Dear Mr. Johnson:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-584 and proposed by the Indiana Gaming Commission ("IGC"). The proposed rule amends various portions of 68 IAC 2-7 to provide a framework for licensed distributors and manufacturers to follow in order to provide associated equipment to Indiana casinos.

The economic impact statement prepared by the IGC does not provide an estimate for the number of small businesses that could be subject to the proposed rule but does indicate that Indiana small businesses electing to provide equipment to casinos would be impacted. Costs associated with the proposed rule could include licensing, administrative, training, and contracts costs.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.
