Dear Mr. Johnson:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 12-659 and proposed by the Indiana Gaming Commission ("IGC"). The proposed rule adds 68 IAC 1-12.5 regarding casino promotional events and amends 68 IAC 15-12-3 to correct an internal reference and make technical changes.

The economic impact statement prepared by the IGC indicates that the proposed rule applies to casino licensees and their employees, neither of which qualify as a small business and, therefore, does not impose any administrative burden or economic impact on small businesses. The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.

Regards,
