

2011 Calendar of Professional & Pro-Am Events

Boxing Promoters and Mixed Martial Arts Promoters are encouraged to use this calendar as a guide when planning future events. The Commission reserves the right to deny a filed event permit application for a variety of reasons, including other events already scheduled for the date being requested.

Please note that this calendar will be updated frequently and should be checked regularly if you wish to be well informed of all events taking place within Indiana when considering scheduling your own event. The most recent update to the calendar can be found in the bottom right hand corner of this page.

This calendar of events uses the following color codes:

RED: If a specific date is marked red in this calendar, it means:

- 1.) we are within 45 days of that date; or
 - 2.) there are already a maximum number of events scheduled for the specific date;
- and the promoter may not file an Event Permit Application for that date without requesting a waiver.

GREEN: If a specific date is marked green in this calendar, it means the date is still available and the Commission will accept a filed event permit application no later than forty-five (45) days prior to the intended event date.
