

The Indiana Housing and Community Development Authority (IHCDA) is proud to make the dream of buying a home a reality for thousands of families across our state. We promote responsible home ownership through programs that assist Hoosiers with closing costs, making down payments and obtaining low interest fixed rate loans. The Homeownership programs listed below apply to single family dwellings, multi-family dwellings (2-4 units), townhouses, condominiums (95% LTV or lower) and modular homes. In every county across Indiana there are lenders on hand to help with these programs.
