

## Instructor/Armorer Certification

*Hosted by the Evansville Police Department*

---

### COURSE DESCRIPTION

PepperBall products can help reduce officer and suspect injuries, save lives, decrease the risk of litigation, and improve public perception of law enforcement agencies. The PepperBall System is an affordable, non-lethal tool designed for patrol, corrections, and tactical officers in a wide variety of situations. The PepperBall Instructor Certification course involves intensive training in the use of the nonlethal PepperBall System, including operation, safety, maintenance, and deployment. This course certifies attendees as PepperBall Instructors for their individual agency, allowing the attendee to design a course in the safe and effective use of the PepperBall System. The armorer course certifies students as armorers on the Custom Carbine SX and TX launchers.

### COURSE REGISTRATION

Please note that the course begins promptly at 8:00 am. You should plan to show up at least 15 minutes early. All necessary equipment is provided by PepperBall. A training manual, CD-ROM, live-fire certification rounds and visual aids are also included. Dress is casual training attire. Please bring safety glasses. If you wear contacts, please have the ability to remove them at the training site. No firearms or ammo allowed in class.
