BUILDING ROADS. CREATING JOBS.

Table with 5 columns: Letting Date, Contract, Description, Project Manager, and District/Program Class. It lists five construction projects with details such as route, county, and ready-for-contract dates.

Disclaimer: This list is updated after the first day of each month. Projects are organized by letting date, then alphabetically by type of work (b-bridge, m-maintenance, r-reconstruction, rs-resurfacing, etc.). Some maintenance projects are added as needs arise and not identified 18 months in advance.
