

THE INDIANA – KENTUCKY DBE EXCHANGE

DBE's please continue to use the opportunity for additional work through the Indiana/Kentucky DBE Exchange. The attached marketing flyer has gone out to all prime contractors in Indiana and Kentucky. DBE's certified in Indiana can work on Kentucky projects as DBE's without seeking DBE certification with this agreement through June 30, 2019. If you have questions, click here: <https://www.in.gov/indot/2674.htm>. Please note, that prequalification is a separate requirement in each State.

Please see the FLYER below.

REMEMBER,

YOUR BUSINESS CAN USE THE DBE EXCHANGE

Two states—Indiana and Kentucky—have partnered to **eliminate red tape** for certified Disadvantaged Business Enterprises (DBEs)

DBEs GET

- ✓ Access to bid on more jobs
- ✓ The opportunity to bid as a prime contractor
- ✓ Access to support from both states and DBE support services
- ✓ The opportunity to foster new business relationships
- ✓ Opportunities for growth

PRIMES GET

- ✓ The opportunity to reach DBE participation goals
- ✓ Reduced construction costs
- ✓ The ability to bid more projects knowing DBE firms will be available in each state
- ✓ A large pool of DBE firms to work with
