

## **INDOT Partners with Vincennes University To Provide Training Opportunities and Job Placement Assistance in the Truck Driving Industry**

The Indiana Department of Transportation has awarded Vincennes University Logistics Training and Education Center (VU LTEC) in Plainfield a Supportive Services grant through the Federal Highway Administration, aimed at providing CDL Class A training to women, minorities and economically disadvantaged individuals. The purpose of this grant is to increase the number of individuals who receive training and ultimately obtain their CDL license, to enter jobs within the transportation/heavy highway industry. VU LTEC begins a new CDL training class the first Monday of every month. The training program is six-weeks in length, focusing heavily on hands-on driving application. VU LTEC invites employers who are seeking CDL drivers, an opportunity to come to VU LTEC and speak with students about employment opportunities available within your company. Recruiting times are available Monday-Friday from 8:00-8:30AM or 11:30AM-12:00PM. To schedule a time, please contact Maria Srnka at VU LTEC at 317-381-6029 or [MSrnka@vinu.edu](mailto:MSrnka@vinu.edu).

If you have additional questions about the VU LTEC CDL training program, you can contact Kyle Walker, CDL Coordinator at 317-381-6084 or [LWalker@vinu.edu](mailto:LWalker@vinu.edu).
