Mitchell E. Daniels, Jr., Governor
Karl B. Browning, Commissioner

FOR IMMEDIATE RELEASE

May 30, 2008

Lanes restricted during I-65 and I-80/94 Interchange Modification

Restrictions scheduled for Saturday

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces lanes on northbound I-65 and the ramp from eastbound I-80/94 to southbound I-65 will be restricted May 31 as construction progresses on the Major Moves New Construction Interchange Modification project at I-65 and I-80/94 (the Frank Borman Expressway).

The restrictions include:

- From approximately midnight to 9 a.m., the ramp from eastbound I-80/94 to southbound I-65 will be restricted to one lane while pavement markings are applied and traffic is switched to the new pavement of the ramp's final configuration.
- From approximately 4-8 a.m., northbound I-65 will be restricted to one lane from 0.5 miles south of Ridge Road up to Ridge Road during the installation of overhead signs.

The work schedule is subject to change in the event of inclement weather. INDOT reminds motorists to use caution and consider worker safety when traveling through a construction zone. For more information about the Interchange Modification, visit www.in.gov/indot/div/projects/borman/ online.

Gov. Mitch Daniels' Major Moves transportation plan fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
