Dear Mr. Gustin:

We have completed our review of Amendment FY 08-51 to the FY 2008-2011 Indiana Statewide Transportation Improvement Program (INSTIP), transmitted by INDOT's letter dated via e-mail January 15, 2009 and have approved all but two projects for inclusion into the INSTIP.

Two projects were located in counties that are nonattainment or maintenance areas designated by the US Environmental Protection Agency for the particulate matter 2.5 or ozone pollutant standard. FHWA needs assurance that air quality conformity determination has been made for these projects. The projects are:

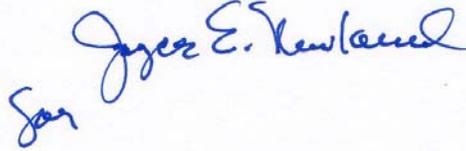

- 0900059 Local Hutchinson Lane from SR 7 to Wilson Ave New Road Construction PE, Jackson County
- 0200861 Local Burkart Boulevard from existing terminus @ N. O'Brien St to SR 11, Jefferson County
