Re: Des. Nos.1006633, Demolition of house and associated outbuildings located on US 421 approximately 1 mile north of intersection of SR 3 and SR 46, Decatur County, Indiana.

Dear Reviewer:

The Indiana Department of Transportation intends to proceed with a project involving the aforementioned demolition in Decatur County. This letter is part of the early coordination phase of the environmental review process. We are requesting comments from your area of expertise regarding any possible environmental effects associated with this project. **Please use the above designation numbers and description in your reply.** We will incorporate your comments into a study of the project's environmental impacts.

This project is the demolition of house and associated outbuildings on US 421, approximately 1 mile north of the intersection of SR 3 and SR 46. Demolition of the house, garage, and other associated structures would involve the physical property to be removed to a depth of one foot below original ground level. The basement floor will be broken up and filled with b-borrow. The property will be graded and seeded. Tress larger than six inches in diameter will remain on the property.

The coordinates (decimal degree) for this project are:

Latitude: 39.36
Longitude: -85.51

Land use in the vicinity of the project primarily consists of the residential, business, recreation, and agricultural.

Should we not receive your response **within thirty (30) calendar days** from the date of this letter, it will be assumed that your agency feels that there will be no adverse effects incurred as a result of the proposed project. However, should you find that an extension to the response time is necessary; a reasonable amount may be granted upon request. If you have any questions regarding this matter, please feel free to contact Brad Williamson, at 812-524-3791 or by email at bwilliamson@indot.in.gov

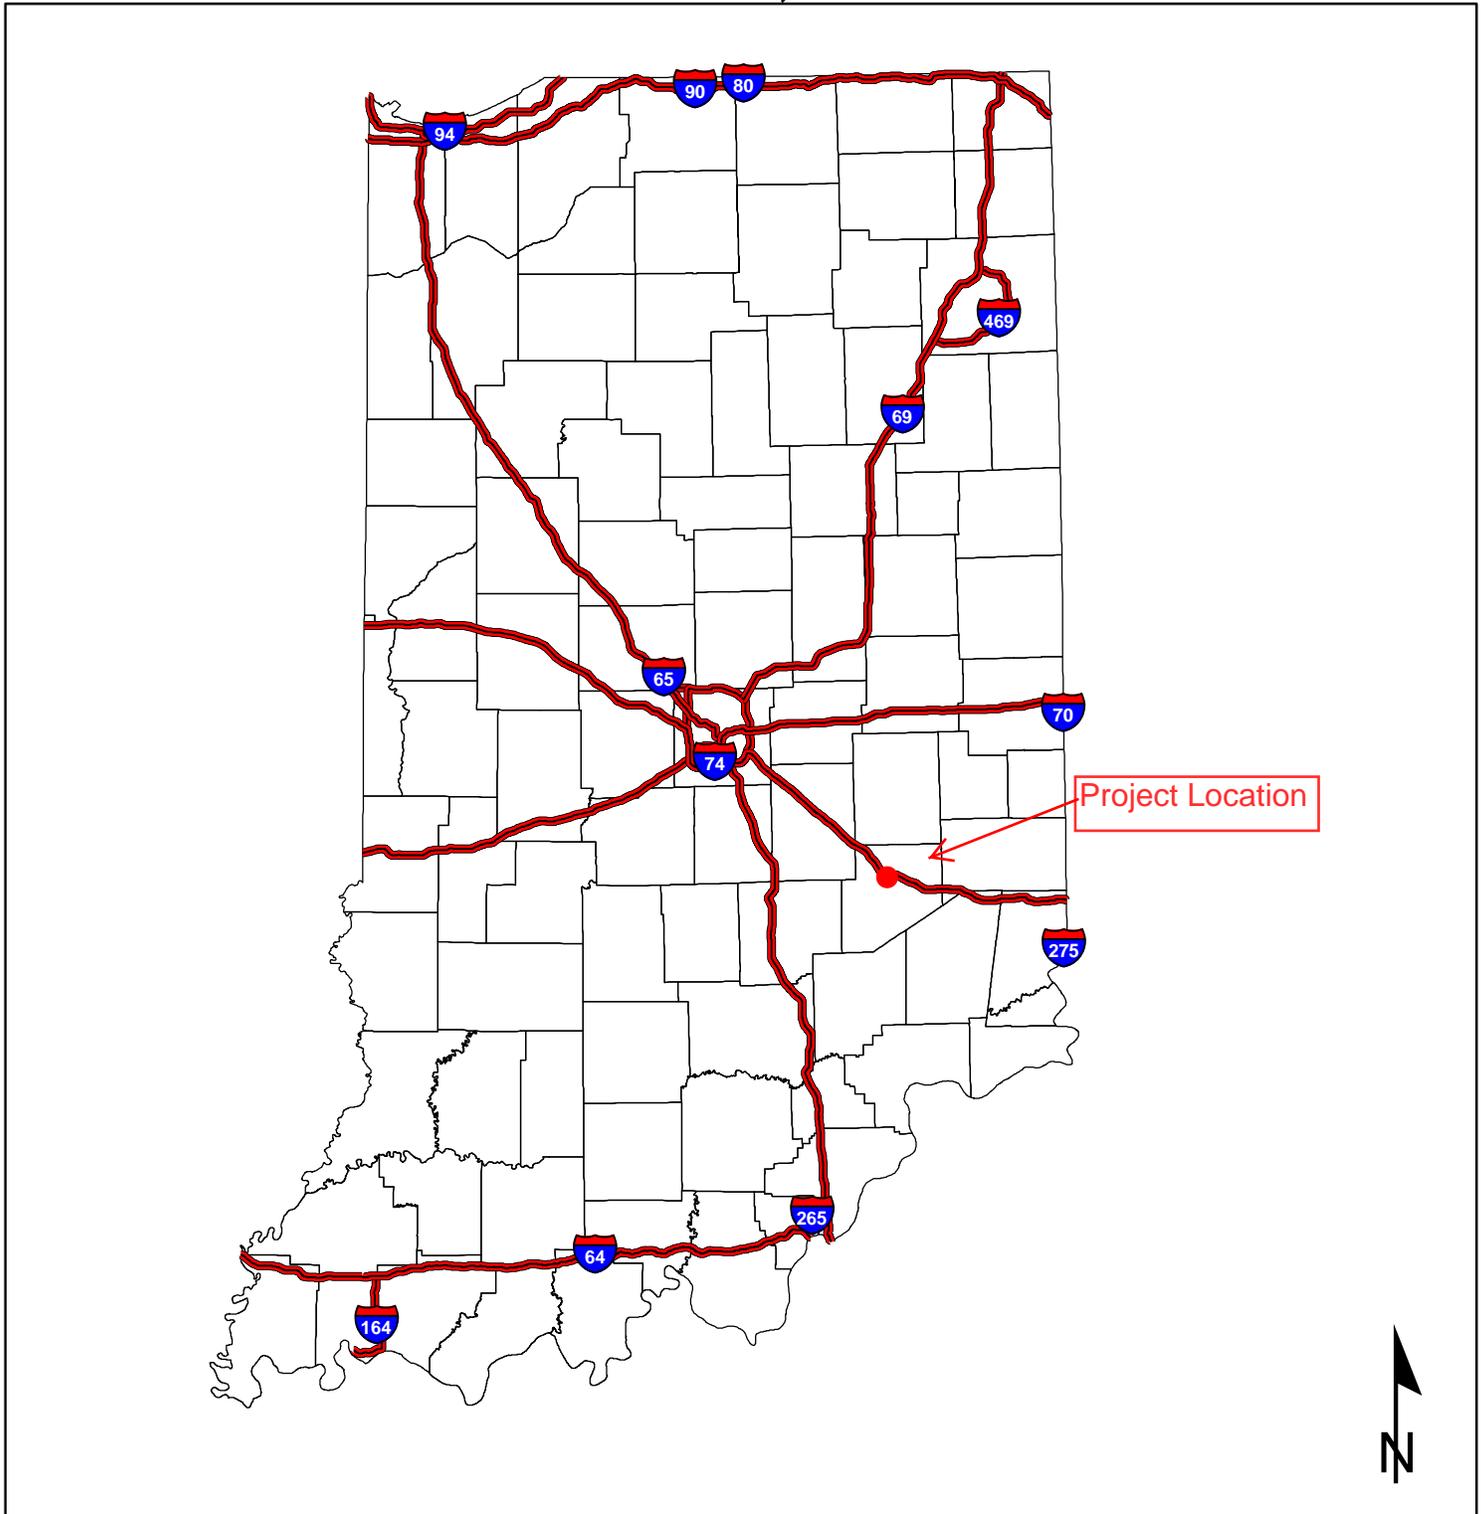

Thank you in advance for your input.

Sincerely,

Brad Williamson, Environmental Manager
Environmental Section
INDOT Seymour District
Indiana Department of Transportation
