

Local Bridge Program Application for Federal Aid
Due to mcales@indot.in.gov by midnight April 22, 2011
Prepared and submitted by ERC

Sponsor

01. Name of Sponsoring Agency: _____
(must be Local Public Agency)
02. Mailing Address: _____
03. City: _____
04. Zip: _____
05. Certified Employee in Responsible Charge(ERC): _____
06. Certification date _____
07. ERC Phone: _____
08. ERC E-mail: _____
09. ERC Signature: _____

Metropolitan Planning Area

- Is your project in the Metropolitan Planning Area of an MPO: y/n _____
10. If yes, please specify which MPO: _____
11. Is the project in the urbanized area of an MPO: y/n _____
12. If project is located in a Metropolitan Planning Area; MPO Director signature required here:

All Projects

13. New project or request for additional funds: _____
14. If requesting additional funds, please provide existing des number: _____
15. Work type: _____
(bridge replacement, bridge rehabilitation, bridge removal, low water crossing replacement)
16. Road name: _____
17. Name of primary county where project is located: _____

18. Functional classification of project location: _____

(use functional classification maps located at the following web address:

[http://dotmaps.indot.in.gov/apps/PlanningDataViewer/FC maps/FC listing.htm](http://dotmaps.indot.in.gov/apps/PlanningDataViewer/FC%20maps/FC%20listing.htm)

19. Project description: (supply brief project description)

20. Project Location:

21. Length of project (feet): _____

22. Latest AADT: _____
(Average Annual Daily Traffic)

23. Latest ADTT: _____
(Average Daily Truck Traffic)

24. Date of Latest Count: _____

Bridge Project

25. N.B.I. number: _____

26. Sufficiency rating: _____

27. Existing structure number: _____

28. Name of feature crossed by bridge: _____

Safety Information

29. Posted speed (in miles per hour): _____

30. Posted Weight Limit (if any): _____

31. Current Number of lanes: _____

32. Current total roadway width _____

33. Accidents (last three years):

If the last three years are not available please provide the last three years that are available.

Year	Fatalities/Injuries	Property Damage

Scheduling & Funding

34. Estimated Project Scheduling and Funding Information: Special Note: The budget and schedule provided in the application and financial commitment letter must be the schedule and budget used in the required quarterly reports. Adjustments to that information must be justified and approved by INDOT before it may be changed.

Phase	Year	Total Project Cost	Existing Federal Funds	Federal Funds Requested	Local Funds
Construction					
Construction Inspection					
Utilities					
Railroad					
ROW					
Preliminary Engineering					
Project Total					

Justification

35. Please Explain: (please attach)

- a. Purpose
- b. Plan Support, if any
- c. Safety Considerations
- d. Economic Development Input
- e. Financial Plan For Local Match (include funding commitment letter from LPA fiscal body – see required contents below)
- f. Other Considerations - IS THIS PROJECT RELATED TO OR A PART OF ANY OTHER PROJECTS OR INITIATIVES?

36. LPA Financial Commitment Letter requirements: (please use LPA letterhead and attach to application)

- a. estimated local contribution by phase and by year
- b. commitment of funds availability
- c. commitment to the project
- d. signed by the fiduciary body of the LPA.

37. Attach Supporting Documents , including Self-Scoring Matrix– Limit 8 pages

LPA PRIORITY RANKING (if LPA is submitting more than one application for projects during this “NOFA”)_____

Signature of Highest Elected LPA Official: _____

LPA BRIDGE PROGRAM SELF-SCORING MATRICES

Status* Points _____

Low water crossing** 70

Structurally deficient 50

Functionally obsolete 30

Not deficient 0***

Sufficiency Rating* _____

Replacement Points

0—50 $(80 - SR)/2$

> 50 0***

Rehabilitation Points

0—80 $(80 - SR)/2$

> 80 0***

Functional Classification* Points _____

Arterial

Major 10

Minor 8

Collector

Urban 6

Rural

Major 6

Minor 4

Local Road 2

TOTAL POINTS _____

*The points are to be based upon the data in FHWA's list of eligible bridges on INDOT's LPA website.

**If an LPA believes a project qualifies as a low water crossing, the LPA must submit documentation, including photographs, to the appropriate district LPA Coordinator and obtain INDOT's approval of that designation before claiming the points for a low water crossing.

***These bridges are not eligible for funds from the Local Bridge Program.
