Randy Walter, Transportation Planner/MPO Coordinator
INDOT, Room N955
100 North Senate Avenue
Indianapolis, IN 46204-2249

Dear Randy:

By this letter, I am administratively amending the FY 2011-2014 TIP per your request. This amendment programs an INDOT surface treatment project, Des # 1006087, on US 231 from 0.01 miles south of SR 28 to 5.7 miles north of SR 28. The total cost of the project is $824,000 and the federal share is $659,200.

The request meets our administrative amendment criteria: 1) this project is an INDOT project using dedicated Federal Funds (STP funds), and 2) the established TIP approval process will delay the letting date.

The TIP document will be updated and then placed on the APC web page: www.tippecanoe.in.gov/APC. We will notify you when this occurs. Please call if you have any questions or need additional information.

Sincerely,

Sallie Dell Fahey
Executive Director
