FY2010-2013 Indiana Transit STIP Amendment #14, dated December 20, 2010

Dear Mr. Buckel:

We have received the State Transportation Improvement Program (STIP) Amendments #11, #12, #13 and #14 that you recently submitted for review by FTA Region 5. The STIP Amendment requests amend the Transportation Improvement Programs (TIPs) to add projects for the following:

- Metropolitan Evansville Transit System
- Michiana Area Council of Governments
- Greater Lafayette Public Transportation Corporation
- Fort Wayne Public Transportation Corporation

The TIPs being amended have been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). All of the projects listed in the attached STIP amendment table are eligible for FTA funding.

We have determined that the TIP/STIP amendments are financially constrained and that the projects are consistent with the MPO and statewide transportation plans. These projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The transit projects in STIP Amendments #11, #12 and #13 are approved for inclusion in the STIP.

Please contact Reginald Arkell at (312) 886-3704 if you have any questions. Thank you.

Sincerely,

Marisol R. Simon
Regional Administrator
