

This training is designed to cover Title VI, General ADA & LEP (Limited English Proficiency) Requirements for Cities, Towns and Counties. It will be a hands on workshop. All ADA and Title VI Coordinators should attend. Please bring your Title VI Implementation plan, your ADA Transition Plan and all related policies including your LEP policy, your complaint policy and complaint logs (if you have them). We will start at the very beginning, but will have time to share our policies and procedures and work together to make Indiana an accessible State for all.

Registration is open for the April, May and July trainings. If you are interested in one of those training dates, please click on the date and you will be directed to the registration page.
