

To Our Local Public Agency Partners,

New federal requirements went into effect December 26, 2014 based upon CFR 2.200. These regulations affect Local Federal Aid Project reimbursement processes and the timeframe for those reimbursements. It is important that you attend one of the educational sessions being offered by INDOT.

INDOT will be offering a 2 hour presentation for Fort Wayne District Local Public Agencies and (Consultants if seating is available) on August 17th from 1:00pm – 3:00pm and August 18th from 9:00am – 11:00am (Eastern Time) at the Fort District Office Conference room. The District is located at 5333 Hatfield Rd., Fort Wayne, IN.

We will be discussing project end dates and how those will affect federal reimbursements. It is important that you be present and pay attention to this educational presentation. It involves funding of your projects and most importantly your reimbursements. This is very IMPORTANT!!!!!!

Please RSVP by email to Amanda O'Connor, aoconnor@indot.in.gov, with the date you wish to attend and how many people will be attending. Seating is limited and the Local Public Agencies will have first seating. Other Districts are holding this meeting on alternate dates.

In order to prioritize available seating to Local Agencies, we request RSVP's from Local Agencies quickly and that Consultant's do not RSVP until August the 3rd.
