

## LPA Winter 2014-2015 Training Courses

### Course Descriptions:

#### ERC Basic Training

A 4-hour course that introduces beginner level ERCs to the LPA Program. Topics covered: roles & responsibilities, program contracts, project development process, consultant selection and understanding the first steps as an ERC. Satisfies ERC requirements for one year following completion.

#### ERC Recertification

A 2-hour course designed to provide updates on the LPA Program and more advanced knowledge to an experienced, recertifying ERC. Topics covered: understanding consultant contracts and how to negotiate, invoicing and quarterly reporting. This course will satisfy ERC requirements for one year following completion.

#### Bridge ERC Training

A 1-hour course reviewing the responsibilities of a Bridge ERC and includes any updates to the bridge inspection program. Satisfies Bridge ERC requirements for one year following completion. Only required annually for ERCs responsible for managing bridge inspections.
