# S.R. 641 Terre Haute

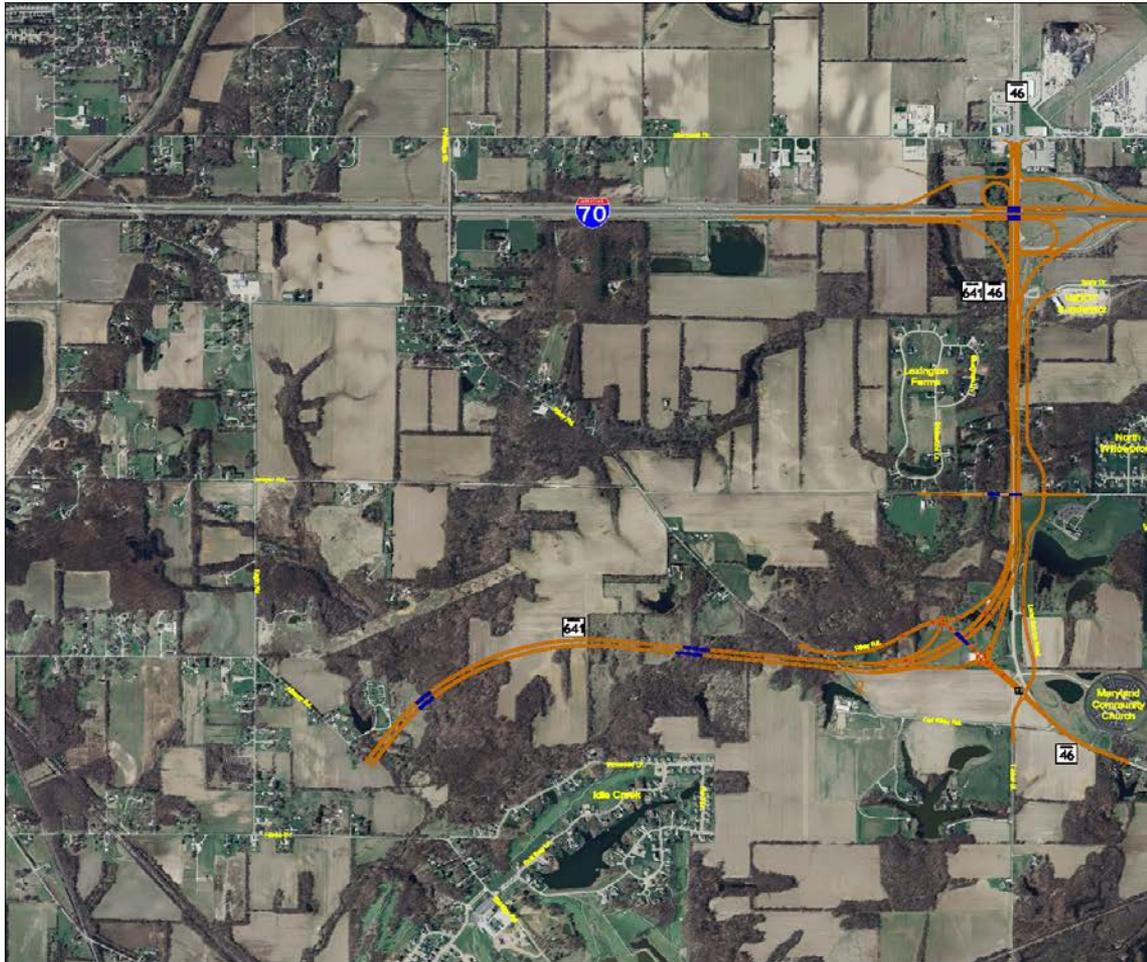

- Project Overview – John Pangallo, Project Manager
- Phase **III** – extends from just northeast of Feree Road to east of Riley Road
  - Construction contract has been awarded
- Phase **IV** – begins east of Riley Road to the I-70 interchange
  - Will be let for construction contractor bidding in Fall 2012
- **Completion of Phases III & IV** will complete bypass around southern portion of Terre Haute
  - Reducing congestion & providing a primary link to the local & state road networks

# Preferred-Alternative E3b

# Local Access & Traffic Flow – Alternative E3b

# PHASE III Project Schedule

- Letting: 12-14-2011
- Clearing contract let: 12-14-2011
- Construction to begin: early 2012
- 1<sup>st</sup> phase of construction to be complete by late 2012
- **Two year** construction season is anticipated

# PHASE IV Project Schedule

- Letting: 10-11-2012
- Construction to begin late 2012
- Project open to traffic: late 2014

# Maintenance of Traffic – PHASE III

- The majority of PHASE III will be constructed without interruption to traffic flow or changes to established traffic patterns
- Phased construction and use of temporary pavement will be utilized to maintain traffic and access to adjoining properties
- Riley Road traffic will be maintained on the existing roadway until the relocated Riley Road is completed and the interchange bridge over proposed SR 641 is complete

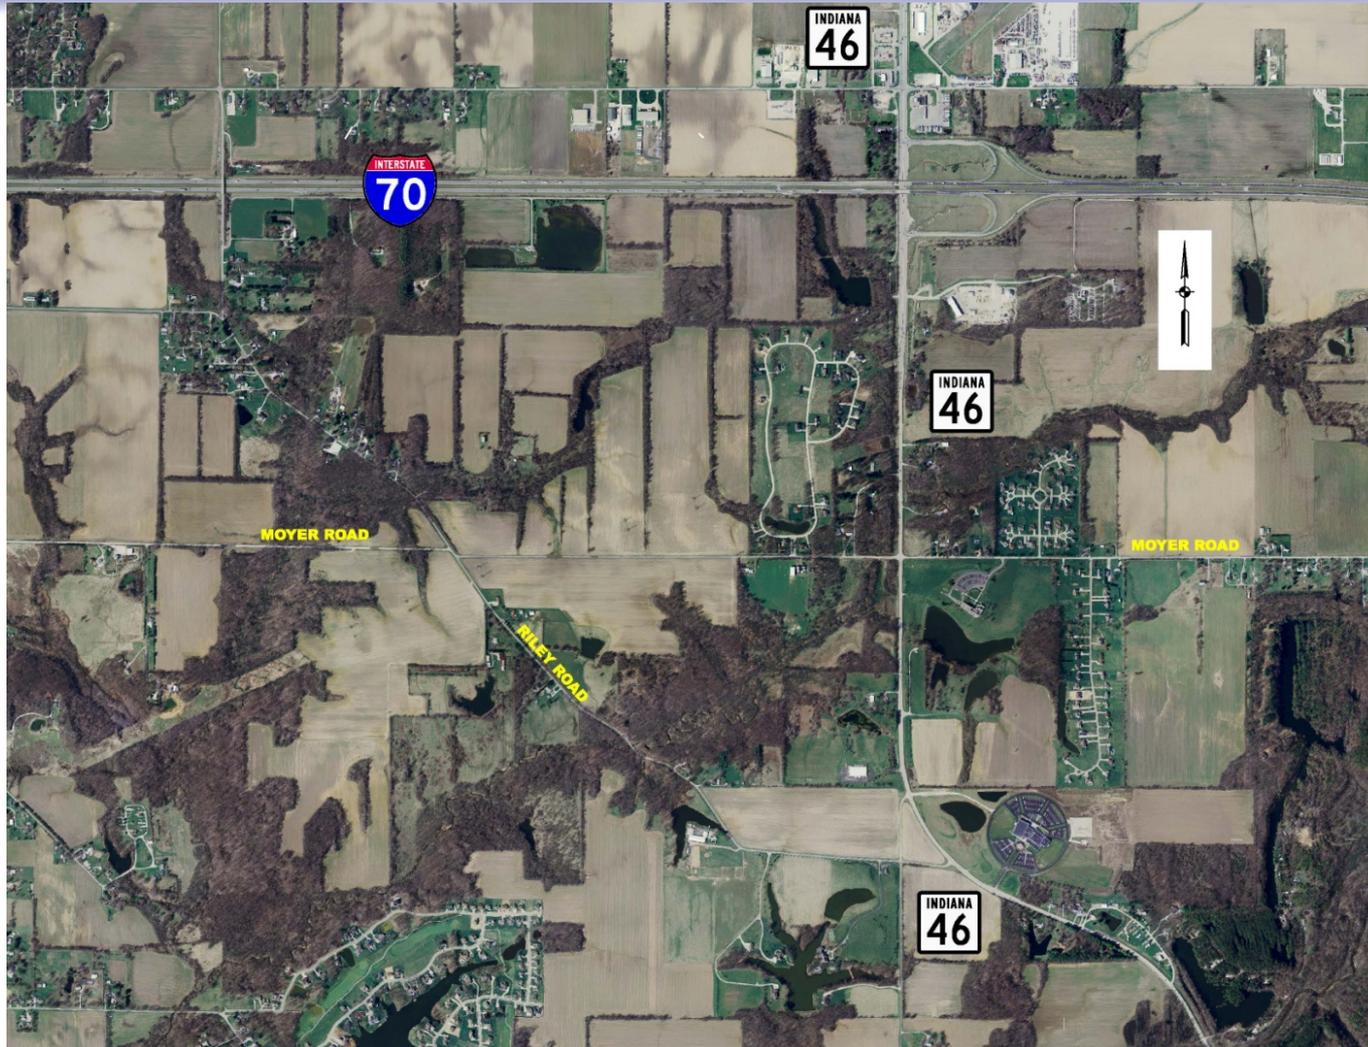

# Maintenance of Traffic - PHASE IV

- Traffic will be maintained along SR 46 & I-70 at all times during construction
- I-70 will require temporary crossovers to complete work. Two lanes of traffic will be maintained in each direction of I-70 during construction
- Phase construction and the use of temporary ramps will be utilized to maintain all existing interchange ramp movements at I-70 / SR 46

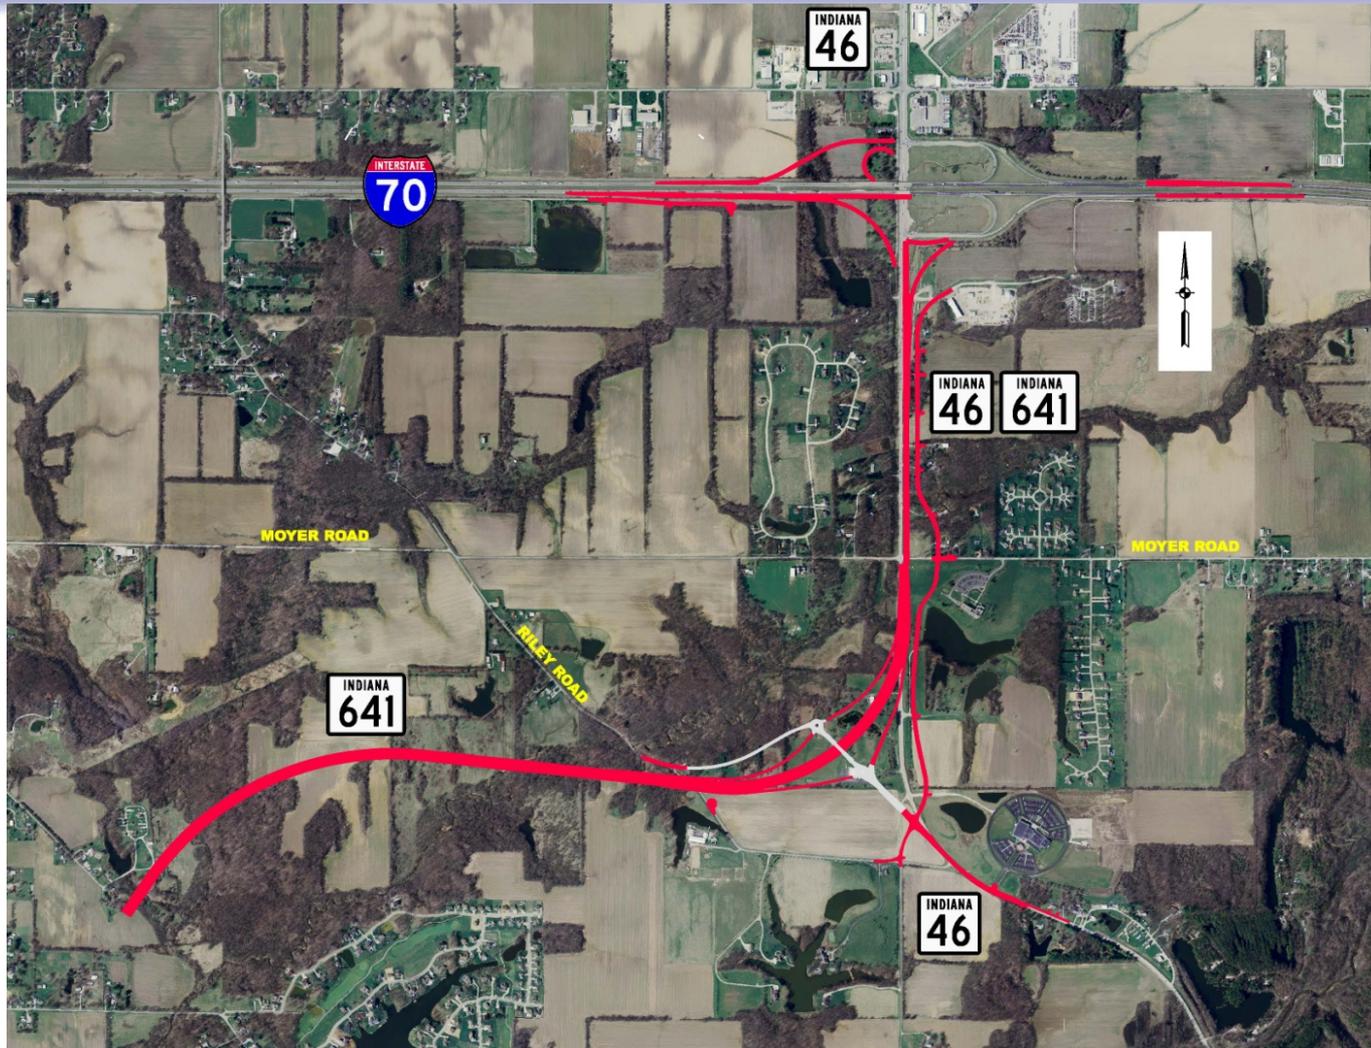

# SR 641 Phases III & IV Existing Roadway

# SR 641 Phases III & IV 2012

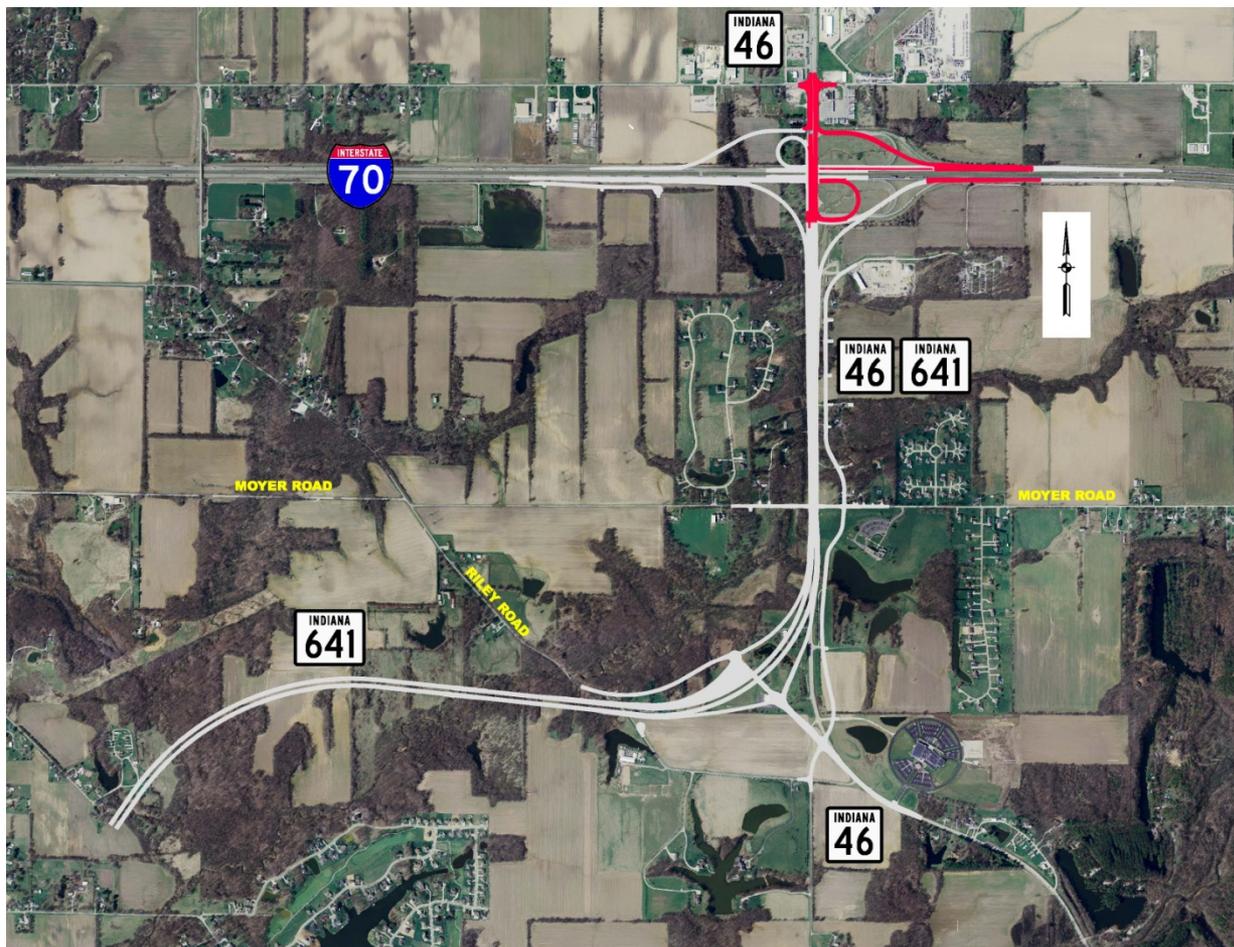

# SR 641 Phases III & IV 2013

# SR 641 Phases III & IV Spring 2014

# SR 641 Phases III & IV Summer 2014

# SR 641 Phases III & IV Fall 2014

# SR 641 Phases III & IV Proposed Roadway
