RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Administrative Modification #42

Dear Ms. Simon;

Please find attached two Metropolitan Planning Organization TIP administrative modification **from the Northwestern Indiana Regional Planning Commission**. The Administrative Modifications were requested on February 26, 2015 and May 18, 2015. We concur with these administrative modifications and it will be reflected by reference in the 2014-2017 STIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
