RE: FY2012 - FY2015 Indiana State Transportation Improvement Program (STIP) administrative modification #30

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Northeastern Indiana Regional Coordinating Council (Fort Wayne MPO)**. The Administrative Modification was requested on April 3, 2013. We concur with this administrative modification and it will be reflected by reference in the 2012-2015 STIP.

The modification is to add Section 5307 operating funds, revise funding amounts and revise federal funding programs. The STIP amendment modifications are reflected on the attached spread sheet.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Larry Buckel".
