FY2014-2017 Indiana Transit STIP Amendment #30, dated November 6, 2014

Dear Mr. Buckel:

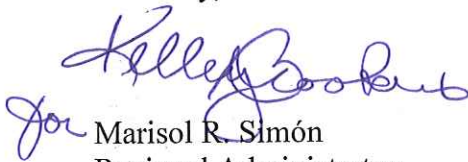

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated November 7, 2014. The request adds projects pursuant to changes made to the Transportation Improvement Program (TIP) for the Northeastern Indiana Regional Coordinating Council (Fort Wayne MPO) and the Indianapolis MPO (IMPO).

The amended TIP has been endorsed by the appropriate Metropolitan Planning Organizations (MPOs). The projects listed in the attached STIP amendment table (Attachment 1) are eligible for FTA funding.

We have determined that the amendments to the TIP and STIP are financially constrained and consistent with the relevant MPO and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2014-2017 STIP.

If you have any questions concerning this STIP amendment approval, please contact Reginald Arkell at (312) 886-3704. Thank you.

Sincerely,

for Marisol R. Simón
Regional Administrator

RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Transit Amendment #29

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP amendment which must be approved and included into the FY 2014 State Transportation Improvement Program. We will reflect by reference the 2014-2017 federal aid projects covered by this approval in our 2014 - 2017 STIP. The Amendment is for the Indianapolis MPO. The Amendment was approved on October 29, 2014 by the Indianapolis MPO.

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
