RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Administrative Modification #25

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Indianapolis Metropolitan Planning Organization**. The Administrative Modification was requested on July 31, 2014. We concur with this administrative modification and it will be reflected by reference in the 2014-2017 STIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

RE: Approval of an Administrative Modification to the 2014-2017 IRTIP

Dear Larry,

This is to inform you of the approval of an administrative modification to the 2014-2017 IRTIP. The MPO concluded that the modification is air quality exempt, per 40 CFR 93.126 & 127, and there is no need to update the conformity analysis or issue a new conformity finding. The Air Quality Consultation Group has been provided a copy of this modification for informational purposes. The attached spreadsheet details the modifications for the following projects:

- IndyGo DES #1383691

A hard copy of this notice will not be sent. The revised 2014-2017 IRTIP is available through the MiTIP Public Access Portal on the MPO's website. Should you have any questions or comments please contact me at (317)327-5137.

Sincerely,
