RE: FY2012 - FY2015 Indiana State Transportation Improvement Program (STIP) administrative modification #24

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification from the Area Plan Commission of Tippecanoe County (Lafayette MPO). The Administrative Modification was requested on October 9, 2012. We concur with this administrative modification and it will be reflected by reference in the 2012-2015 STIP.

We have determined that the administrative modification is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
Manager
Office of Transit

Dear Randy:

The Board of Directors approved these changes on September 25, 2012. A copy of the resolution is enclosed. Since no additional federal funds have been requested, the modification is fiscally constrained.

The TIP document will be updated and then placed on the APC web page: www.tippecanoe.in.gov/APC. We will notify you when this occurs. Please call if you have any questions or need additional information.

Sincerely,

Sallie Dell Fahey
Executive Director
