RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Administrative Modification #33

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Northwestern Indiana Regional Planning Commission**. The Administrative Modification was requested on December 29, 2014. We concur with this administrative modification and it will be reflected by reference in the 2014-2017 STIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel  
Manager  
Office of Transit

Larry,

Attached please find Administrative Amendment No. 28 to the NIRPC FY 2014-2017 TIP. The Amendment adds \$3,500 to the total cost of the safety and security project (DES 1383016) for Opportunity Enterprises. Cost estimates for the fencing, lighting and security camera system for the bus storage area are coming in higher than anticipated.

Please let me know if you have any questions.

Thanks,  
Belinda
