Business Information Survey

July 3, 2012

Blais, Scott T & Natalie A
1250 Old Capital Pike
Bloomington, IN 47403

Greetings,

The Indiana Department of Transportation (INDOT) continues Tier 2 environmental impact studies along the 142-mile I-69 project corridor from Evansville to Indianapolis. This corridor has been divided into six sections for Tier 2 Studies. Each section is being independently reviewed. Michael Baker Jr., Inc. is evaluating potential human and environmental impacts associated with upgrading SR 37 into I-69 in Monroe and Morgan Counties (Section 5). As shown on the enclosed Reference Map (on page 5), Section 5 is approximately 23 miles in length. It begins at SR 37 near Victor Pike (southwest of Bloomington) and continues along SR 37 to SR 39 in Martinsville. Proposed changes in access associated with each alternative are summarized on Table 1: Section 5 Access Comparison.

You have received this survey because this transportation project is being considered for your area and may affect your business. The purpose of this Business Information Survey is to identify issues and concerns of business owners. The information collected in this survey will be incorporated into the analysis of the impacts of this project on the human and natural environment. You may receive additional requests for information about how the proposed project will affect your business in the future.

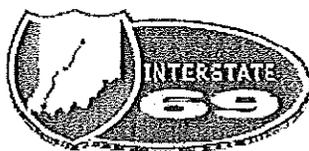

Please respond to each question as completely as possible. You may contact us at the number below if you have any questions about the project or would like more information about how to respond to this survey. The time you take to complete this survey and any subsequent surveys mailed to you is greatly appreciated. Please return the form to the address below no later than July 27th.

Thank you very much for your assistance.

Sincerely,
MICHAEL BAKER JR., INC.

Mary Jo Hamman

Business Location

1. Provide the full name and address of your business.

Scott Blais, electrician
1250 Old Capital Pike
Bloomington, IN 47403

a. If your business is affiliated with others in the area, please provide the headquarters address if different from the above.

~~_____~~
~~_____~~
~~_____~~

b. Please provide contact information for future correspondence on this project.

Scott Blais
812-327-5335

2. On the enclosed map, please mark the location of your business and label the routes of your incoming and outgoing deliveries.

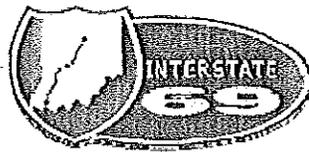

Done

General Information

3. Describe the nature of your business, such as the service provided, the type of office, and the type of products sold or manufactured.

Electrical contractor
Home office with separate commercial building
warehouse

4. How many years has your business been at this location? 11+
5. How many full time employees do you have? 1
6. How many part time employees do you have? 0
7. What are your hours and days of operation? 8-5
8. Do you lease or own your business site? OWN

I-69 Evansville to Indianapolis Tier 2 Studies

Project Impacts

15. Do you currently have plans to expand your business? If yes, describe (add employees, add shifts, expand or build new facility at current site) and be as specific as possible.

We have two commercial buildings on property with other business in them.

16. Do you believe that your business will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

YES

a. Do you expect to gain or lose customers? NO

b. Will access to the site be improved or impeded? unknown

c. Will access to or from your market or service area be improved or impeded?
unknown

d. Will you lose or gain parking spaces? N/A

e. Please describe the effects of any adverse impacts on your ability to continue to conduct business at your current location.

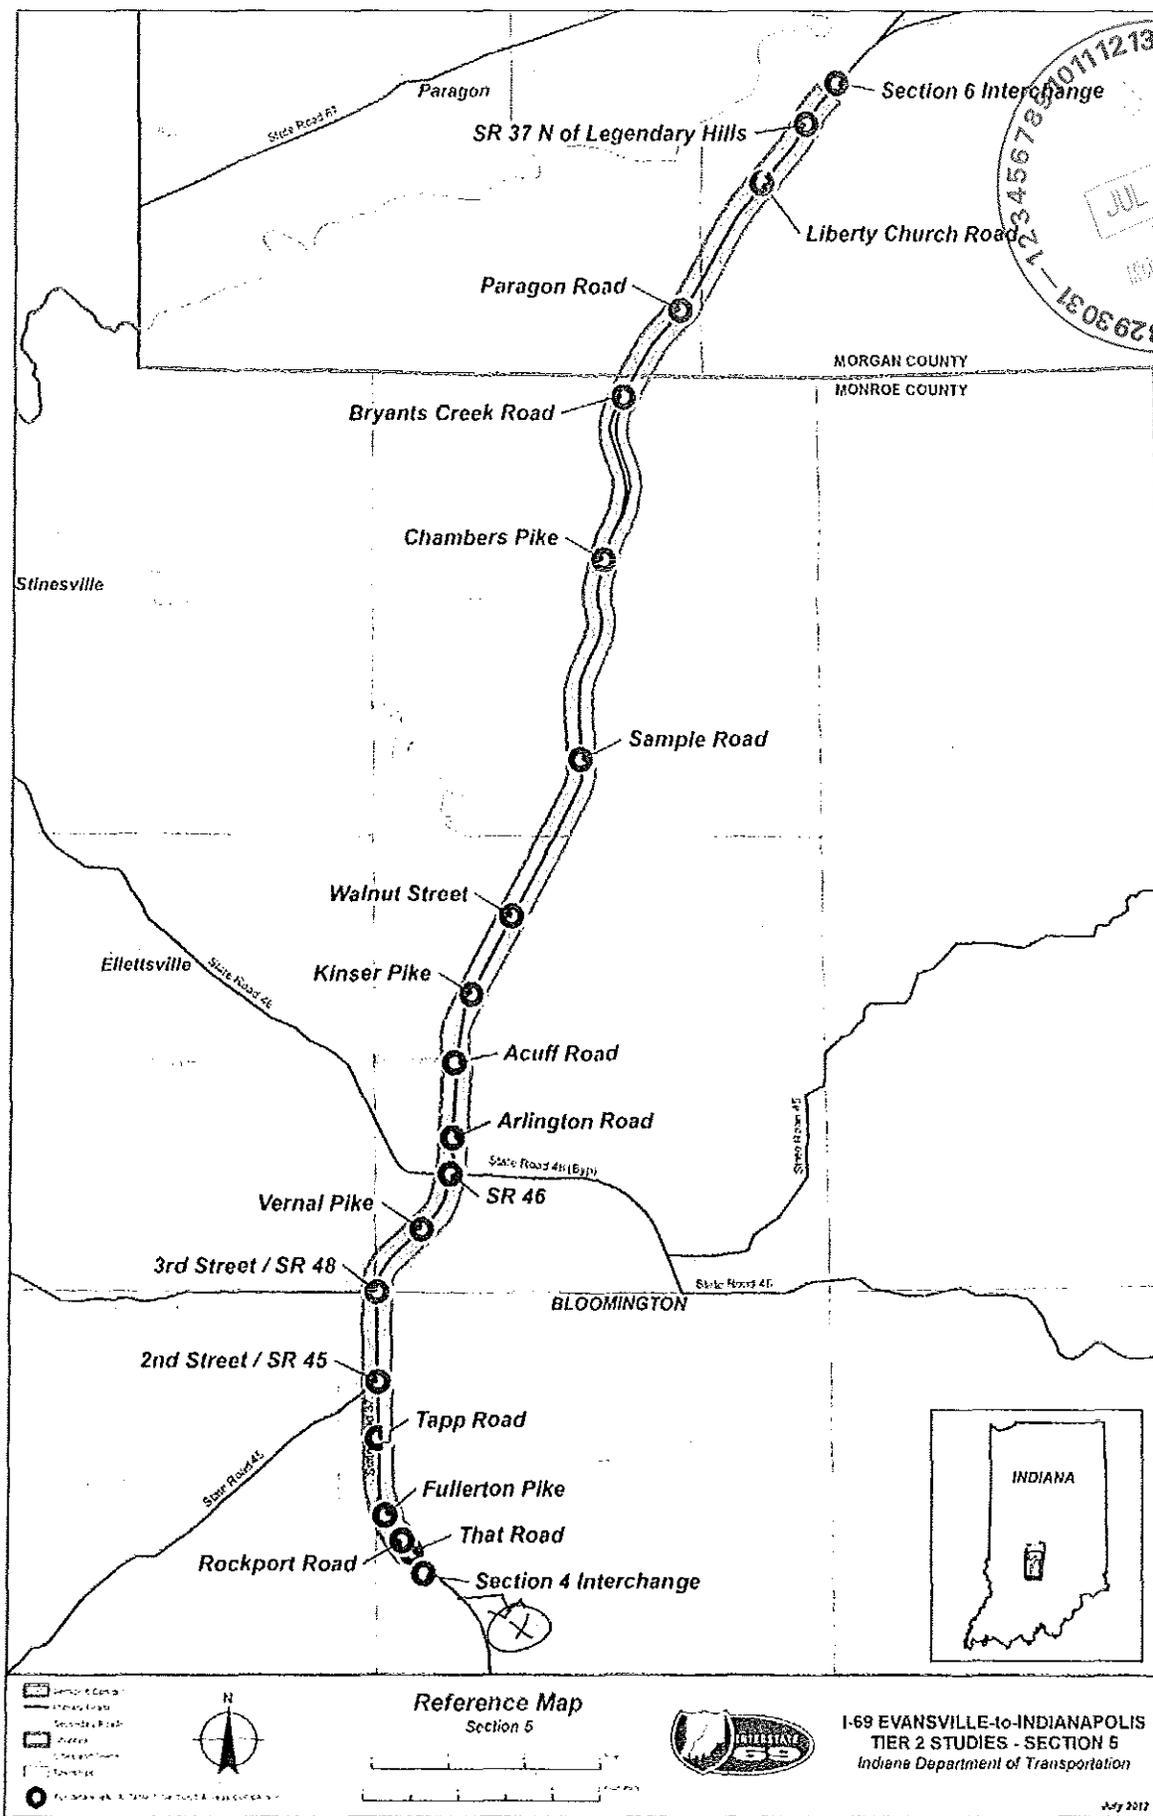

17. Please review the attached table and provide your input on each of the proposed alternatives.

Other Information

18. Please provide any additional information or comments that you would like us to address. You may also attach additional sheets or a letter from your business with your comments.

Bring the interchange to 37 + Victor Pike!

Thank you for your participation in this survey

2. On the enclosed map, please mark the location of your business and label the routes of your incoming and outgoing deliveries.

LOCATION: South of Vernal Pike
INCOMING: From W. #37
OUTGOING: MOSTLY EAST AND SOUTH (I4 - College Mall area, Drexel Town,
AND Southern Mornington - And west area Business & Fairgrounds)

General Information

3. Describe the nature of your business, such as the service provided, the type of office, and the type of products sold or manufactured.

SIGNS AND PRINTED MATERIALS

4. How many years has your business been at this location? 4 plus

5. How many full time employees do you have? 4

6. How many part time employees do you have? 2

7. What are your hours and days of operation? 8AM - 6pm

8. Do you lease or own your business site? OWN

I-69 Evansville to Indianapolis Tier 2 Studies

Transportation and Market Information

9. From where do most of your customers come? (Check all that apply)
- Bloomington
 - Martinsville
 - Ellettsville
 - Other (Please Identify) _____
 - Out of state
10. From where do most of your employees come? (Check all that apply)
- Bloomington
 - Martinsville
 - Ellettsville
 - Other (Please Identify) EAST of Bloomington
 - Out of state
11. Do employees or customers currently use SR 37 to access your business? yes
If yes, which cross roads or access points along SR 37 are the most important for access?
Vernal Pike
12. Does your business serve a specialized clientele? No
13. Does your business have specialized site requirements, such as rail access, acreage, underground storage areas, city water or sewer, permits, etc? No
If yes, please describe. _____
14. Which of the following types of vehicles regularly access your business? Check all that apply and provide a general estimate of the number per day.
- Passenger vehicles for employees 5
 - Passenger vehicles for customers 6
 - Delivery trucks AND TRACTOR / TRAILERS 53 FT = 1
 - Rail cars _____
 - Buses _____
 - Other (specify) _____

I-69 Evansville to Indianapolis Tier 2 Studies

Project Impacts

15. Do you currently have plans to expand your business? If yes, describe (add employees, add shifts, expand or build new facility at current site) and be as specific as possible.

yes - expand the Building and add 2 employees
Expand over The next year - Double the Building Size.

16. Do you believe that your business will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

directly Affected because customers + employees will have to possibly
TRAVEL farther to get to us. LONGER distances to deliver

a. Do you expect to gain or lose customers? N/A

b. Will access to the site be improved or impeded? impeded

c. Will access to or from your market or service area be improved or impeded?
impeded

d. Will you lose or gain parking spaces? ?

e. Please describe the effects of any adverse impacts on your ability to continue to conduct business at your current location.

it appears that getting to us will be even MORE difficult
because we will have ONLY ONE WAY IN-OUT AS ALWAYS
A CROSSING over RAILS farther S.W. into white Hall Crossing (Mall area)
would give us a closer interchange And cut several miles out of the
equation.

17. Please review the attached table and provide your input on each of the proposed alternatives.

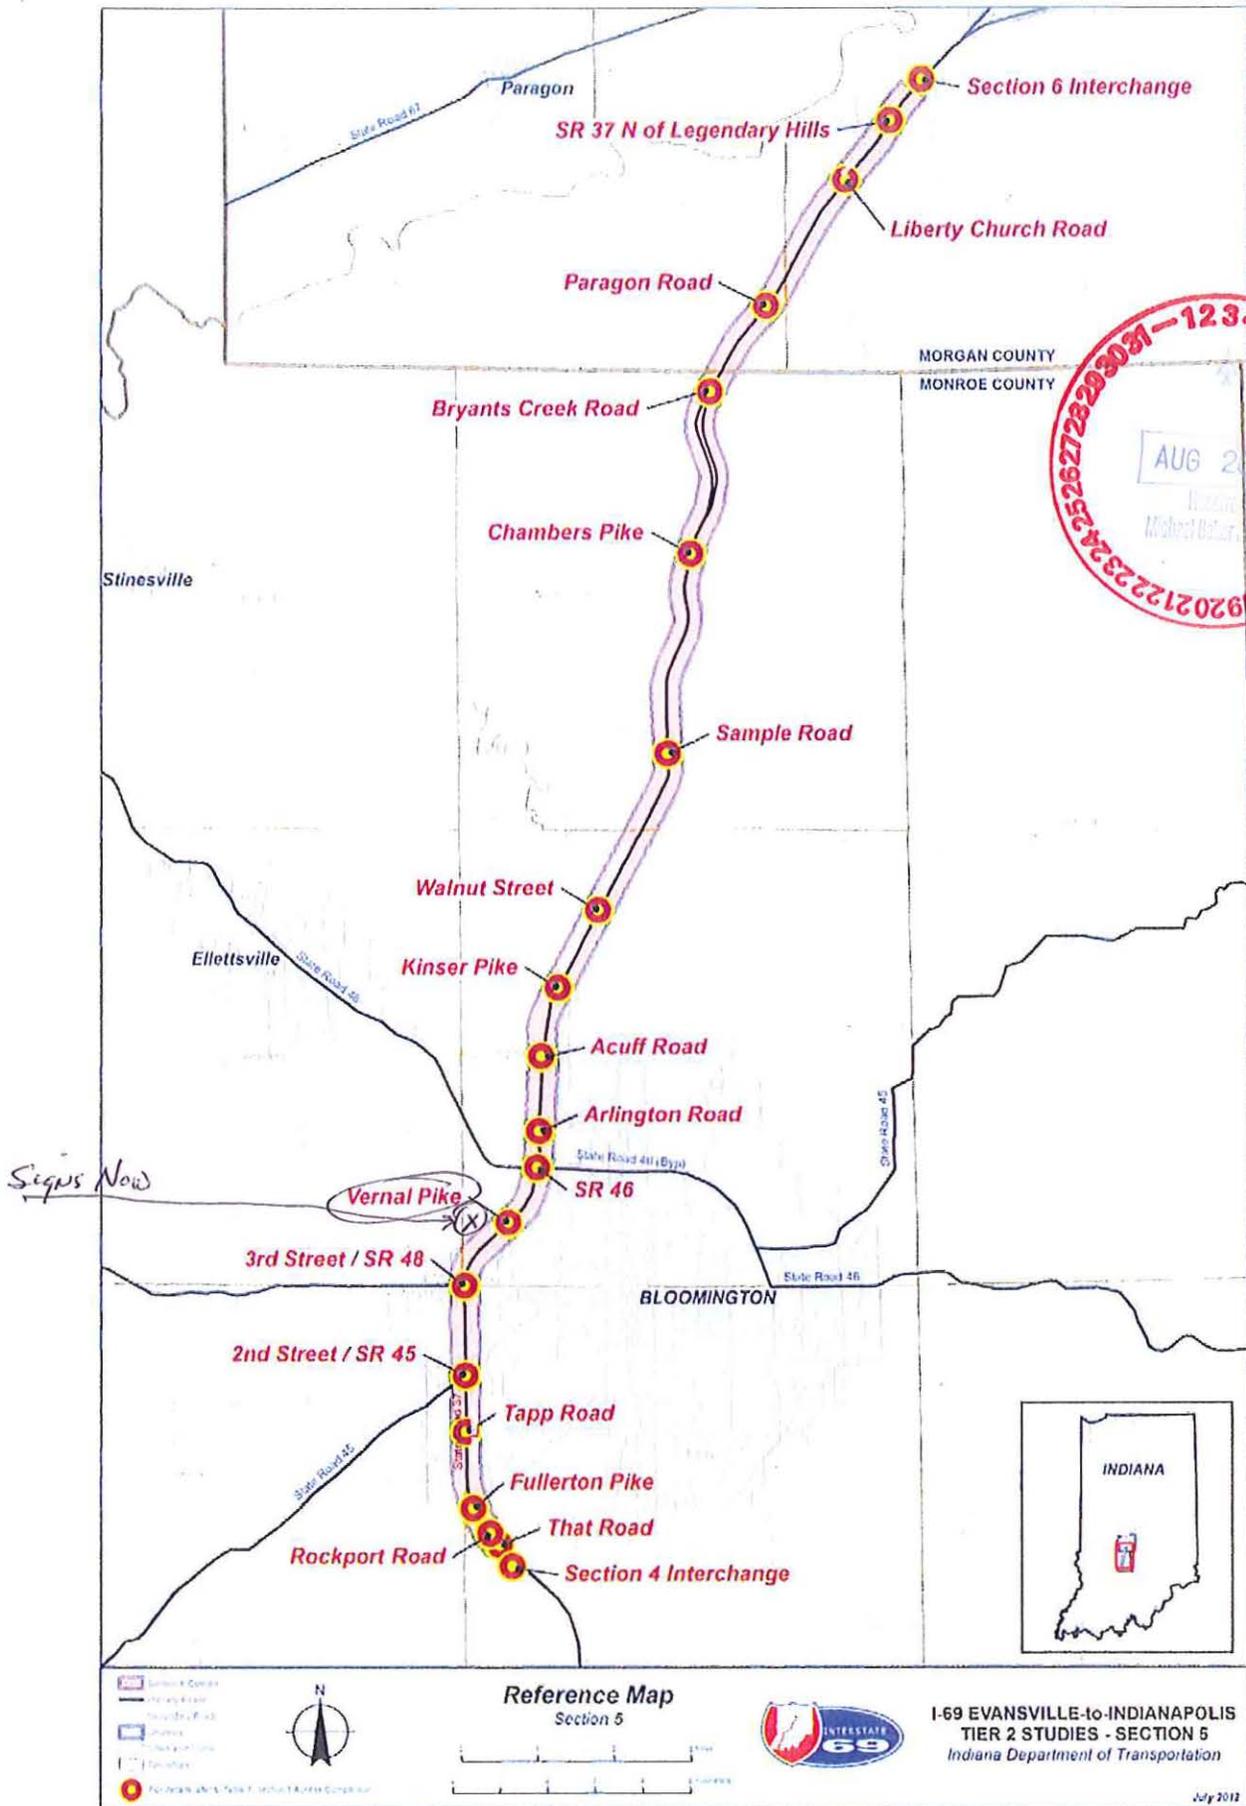

Other Information

18. Please provide any additional information or comments that you would like us to address.

You may also attach additional sheets or a letter from your business with your comments.

Help influence A CROSSING OF THE RAILS at the end of Industrial
Park Dr. cul-de-sac area - ACROSS TO THE LOWER area STREETS
of the white Hall Crossing area. This would Help us to get to
OTHER industry sites AND Retail AS well AS a close interchange
to I69

8. Do you lease or own your business site? Own

I-69 Evansville to Indianapolis Tier 2 Studies

Transportation and Market Information

9. From where do most of your customers come? (Check all that apply)

- Bloomington
- Martinsville
- Ellettsville
- Other (Please Identify) Bedford, Brown County
- Out of state

10. From where do most of your employees come? (Check all that apply)

- Bloomington
- Martinsville
- Ellettsville
- Other (Please Identify) _____
- Out of state

11. Do employees or customers currently use SR 37 to access your business? Yes
If yes, which cross roads or access points along SR 37 are the most important for access?

Vernal Pike
Very Important for R U's -

12. Does your business serve a specialized clientele? _____

13. Does your business have specialized site requirements, such as rail access, acreage, underground storage areas, city water or sewer, permits, etc?

If yes, please describe. Acreage for RU Storage
City water + Sewer on site

14. Which of the following types of vehicles regularly access your business? Check all that apply and provide a general estimate of the number per day.

- Passenger vehicles for employees _____
- Passenger vehicles for customers _____
- Delivery trucks large Trucks
- Rail cars _____
- Buses _____
- Other (specify) Motor Homes 44' + under

I-69 Evansville to Indianapolis Tier 2 Studies

Project Impacts

15. Do you currently have plans to expand your business? If yes, describe (add employees, add shifts, expand or build new facility at current site) and be as specific as possible.

Depends on Hwy accessibility??

16. Do you believe that your business will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

Yes - It will limit (hinder) motor homes, 5th wheels, Travel Trailer + Delivery Trucks

- a. Do you expect to gain or lose customers? Lose Customers!
- b. Will access to the site be improved or impeded? Impeded
- c. Will access to or from your market or service area be improved or impeded? No

d. Will you lose or gain parking spaces? No

e. Please describe the effects of any adverse impacts on your ability to continue to conduct business at your current location.
Customers will not have direct route to our facility - we will be off the main highway - Right now we are easy to get to.

17. Please review the attached table and provide your input on each of the proposed alternatives.

Other Information

18. Please provide any additional information or comments that you would like us to address. You may also attach additional sheets or a letter from your business with your comments.

Bad Idea - If an underpass is the only way to Uernal Pike motor homes, Delivery Trucks, 5th wheels, Range Campers, will be unable to go under them.

No one in an RV likes to drive an extra 3-4 miles to get to a Service Center

Thank you for your participation in this survey

Table 1: Section 5 Access Comparison

Area Type	Major Road Name	Alternative 4	Alternative 5	Alternative 6	Alternative 7	Access Suggestion(s)? Interchange, Overpass and No Direct Access (Please use I, O, U, or X)	Comments and Rationale for Access Suggestion(s) Tell Us Why!
		Represents Alternatives Carried Forward I = Interchange (Urban or Rural) O or U = Overpass or Underpass (Grade Separation) X = No Direct Access					
Urban	Section 4 Interchange (I-69 and SR 37)	I	I	I	I		<p>Please call me if any questions: Sandy Smith 335-8397</p> <p>Because MH's - large 5th wheels can not go under <u>normal</u> Underpasses. Very limited - To inconvenient to reach Enterprise Park 3-4 miles extra to drive is a lot with the present cost of diesel fuel + gas for RV's etc -</p> <p>Why would you want to shut off Vernal - It connects with Woodford, Curry + back to Smith - a great way to go from #371 straight over to Hart Strait Rd - many people use this road. I am sure the folks that live in the trailer Parks would appreciate Vernal staying open. This road is also a very short way to get to uptown Bloomington - Especially for Hospital emergencies!</p> <p>and I am sure the Police Post would appreciate Vernal staying the way it is!</p>

We are a nonprofit organization - not a place of worship.

Place of Worship Location

1. Provide the full name and address of your place of worship.

1500/1502 W. 15th Street, Bloomington, IN 47404

South Central Community Action Program, Inc.

2. Please provide contact information for future correspondence on this project.

Todd Lare, Executive Director

todd@insccap.org

812-339-3447 ext 233

3. How many years has your place of worship been at this location?

18 years

4. How many full time employees do you have?

100+

5. How many part time employees do you have?

20+

6. What are your hours and days of operation?

M-F 7:00am - 5:30pm

7. Do you lease or own your site?

own

General Information

8. Please list weekly activities held at your facility and the date and time of each. Please attach a newsletter or bulletin to highlight these activities, if that would be more convenient.

We have evening meetings during the week in addition to office hours listed above. They vary but would be 6-9pm normally.

9. Does your facility host a preschool or childcare center, and if so, what is the approximate enrollment and what are the grades being served?

Yes - Head Start program - birth to age 5. Total enrollment is 267 but about 64 at this site.

10. Does your facility have outdoor facilities such as recreational fields, picnic areas, etc.?

Yes - playground for children

I-69 Evansville to Indianapolis Tier 2 Studies

11. Do you believe that your place of worship will be affected by the project? If your answer is yes, how do you believe it will be affected?

Yes - with no access from 37/69 to Vernal Pike, we will have to reroute our buses. Staff from south will have to find alternate routes to work.

Transportation Information

12. On the enclosed map, please mark the general location within which your congregation resides. We have staff from all over Monroe County - Greene County - Owen County, Morgan County

13. Do staff or your congregation currently use SR 37 to access your business? yes
If yes, which cross roads or access points along SR 37 are the most important for access?

Vernal Pike

14. How does your congregation access your place of worship (e.g., car, bus, walking, bicycling)? car, bus, walking

15. From where does most of your congregation come? (Check all that apply)

- Bloomington
- Martinsville
- Ellettsville
- Other (Please Identify) _____
- Out of state

16. From where do most of your employees come? (Check all that apply)

- Bloomington
- Martinsville
- Ellettsville
- Other (Please Identify) Lawrence Co, Greene Co, Owen Co.
- Out of state

17. Which of the following types of vehicles regularly access your place of worship? Check all that apply and provide a general estimate of the number per day.

- Passenger vehicles for employees 50+
- Passenger vehicles for congregation 100+
- Delivery trucks 2
- Rail cars _____
- Buses 5

I-69 Evansville to Indianapolis Tier 2 Studies

Other (specify) _____

Project Impacts

18. Do you currently have plans to expand your place of worship? If yes, describe (add employees, expand or build new facility at current site) and be as specific as possible.

None

19. Do you believe that your place of worship will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

Difficult w/ no access to Vernal Pike from 37. This is a major way to access our facility. Bus routes will need to be changed for our Head Start buses.

a. Do you expect to gain or lose members of your congregation? no

b. Will access to your facility be improved or impeded? no

c. Will you lose or gain parking spaces? no

d. Please describe the effects of any adverse impacts on your ability to continue to conduct services and community outreach at your current location.

20. Please review the attached table and provide your input on each of the proposed alternatives.

Other Information

21. Please provide any additional information or comments that you would like us to address.

You may also attach additional sheets or a letter from your organization with your comments.

Business Information Survey

July 3, 2012

Gajewski, Joseph J & Mary Trusts
 489 Serena Ln
 Bloomington, IN 47401

Greetings,

The Indiana Department of Transportation (INDOT) continues Tier 2 environmental impact studies along the 142-mile I-69 project corridor from Evansville to Indianapolis. This corridor has been divided into six sections for Tier 2 Studies. Each section is being independently reviewed. Michael Baker Jr., Inc. is evaluating potential human and environmental impacts associated with upgrading SR 37 into I-69 in Monroe and Morgan Counties (Section 5). As shown on the enclosed Reference Map (on page 5), Section 5 is approximately 23 miles in length. It begins at SR 37 near Victor Pike (southwest of Bloomington) and continues along SR 37 to SR 39 in Martinsville. Proposed changes in access associated with each alternative are summarized on Table 1: Section 5 Access Comparison.

You have received this survey because this transportation project is being considered for your area and may affect your business. The purpose of this Business Information Survey is to identify issues and concerns of business owners. The information collected in this survey will be incorporated into the analysis of the impacts of this project on the human and natural environment. You may receive additional requests for information about how the proposed project will affect your business in the future.

Please respond to each question as completely as possible. You may contact us at the number below if you have any questions about the project or would like more information about how to respond to this survey. The time you take to complete this survey and any subsequent surveys mailed to you is greatly appreciated. Please return the form to the address below no later than July 27th.

Thank you very much for your assistance.

Sincerely,
MICHAEL BAKER JR., INC.

Project Impacts

15. Do you currently have plans to expand your business? If yes, describe (add employees, add shifts, expand or build new facility at current site) and be as specific as possible.

yes we have been continually growing for 25 years

16. Do you believe that your business will be directly or indirectly affected by the project? If yes, how do you believe you will be affected?

disruptions due to construction

a. Do you expect to gain or lose customers? Lose

b. Will access to the site be improved or impeded? impeded

c. Will access to or from your market or service area be improved or impeded? impeded

d. Will you lose or gain parking spaces? N/A

e. Please describe the effects of any adverse impacts on your ability to continue to conduct business at your current location.
construction will cause impeding issues, customer count will drop due to people avoiding the area

17. Please review the attached table and provide your input on each of the proposed alternatives.

Other Information

18. Please provide any additional information or comments that you would like us to address.

You may also attach additional sheets or a letter from your business with your comments.

I have submitted all this before

Thank you for your participation in this survey

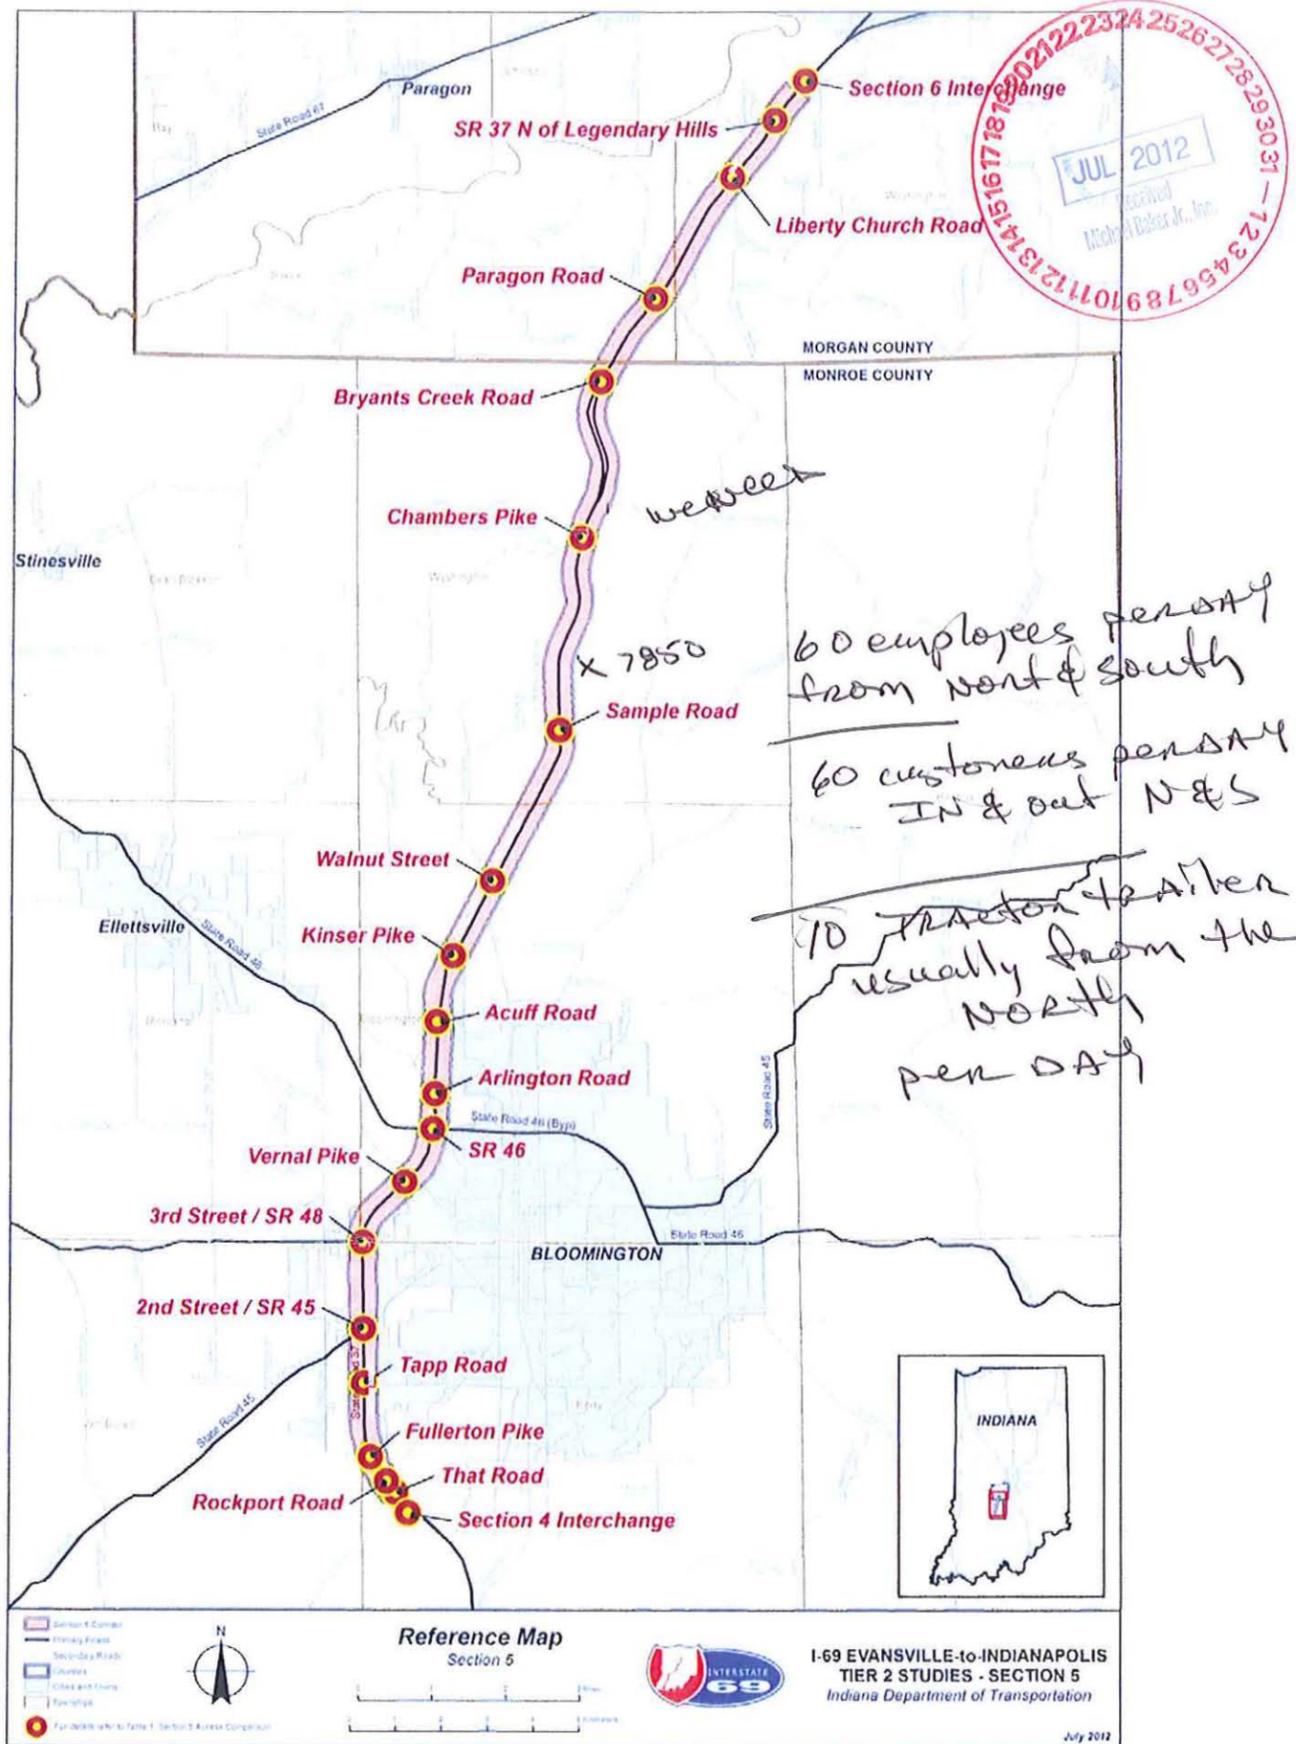

Table 1: Section 5 Access Comparison

Area Type	Major Road Name	Alternative 4	Alternative 5	Alternative 6	Alternative 7	Access Suggestion(s)? Interchange, Overpass and No Direct Access (Please use I, O, U, or X)	Comments and Rationale for Access Suggestion(s) Tell Us Why!
		Represents Alternatives Carried Forward I = Interchange (Urban or Rural) O or U = Overpass or Underpass (Grade Separation) X = No Direct Access					
Urban	Section 4 Interchange (I-69 and SR 37)	I	I	I	I		
	That Road	X	X	X	X		
	Rockport Road	O	O	O	O		
	Fullerton Pike	I	I	I	I		
	Tapp Road	O	I	O	I		
	SR 45/2 nd Street	I	I	I	I		
	SR 48/3 rd Street	I	I	I	I		
	Vernal Pike	U	U	U	O		
	SR 46 Interchange	I	I	I	I		
Urban/rural transition area	Arlington Road	O	O	O	O		
	Acuff Road	X	X	X	X		
	Kinser Pike	I	O	X	O		
Rural	N. Walnut Street	O	I	O	I		
	Sample Road	I	I	I	I		
	Chambers Pike	O	O	O	X		
	Bryants Creek Road	X	X	X	O		
	Paragon/Pine	I	O	X	X		
	Liberty Church	O	I	I	I		
	SR 37 N of Legendary Hills	X	X	X	X		
	Section 6 Interchange (I-69 and SR 39)	I	I	I	I		

* chambers pike is fed by crossover which is fed by the busy Dittmore Rd I believe that this is an important thoroughfare & should have access ramps on to 69

→ trucks
