

**Evaluation**  
**OWI SFST Testing**  
**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

***Phase I of OWI Detection: Vehicle in Motion***

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---

***Phase II of OWI Detection: Personal Contact***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5
--	---	---	---	---	---

**Evaluation**  
**OWI SFST Testing**  
**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

***Phase I of OWI Detection: Vehicle in Motion***

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

*I will emphasize the normal aspects of my client's driving + the nature of the stoppage*

***Phase II of OWI Detection: Personal Contact***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

*I will emphasize the bloodshot eyes are a normal occurrence + the difficulty of ~~padding~~ and un-certainty of the policy out of the ID.*

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

*I will emphasize the unnatural nature of the movements required in the tests + the impossibility of being 100% white sober*

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5
--	---	---	---	---	---

**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

**Phase I of OWI Detection: Vehicle in Motion**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

*longer time spent on X exam re:  
field sobriety*

**Phase II of OWI Detection: Personal Contact**

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

\_\_\_\_\_

\_\_\_\_\_

**Phase III of OWI Detection: Pre-Arrest Screening**

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

\_\_\_\_\_

\_\_\_\_\_

**Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand**

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5

**Evaluation**

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

***Phase I of OWI Detection: Vehicle in Motion***

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:  
critically review police reports in regard to driving behavior/  
stop.

***Phase II of OWI Detection: Personal Contact***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:  
point out all the things the client "did right" or "normally."

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:  
 \_\_\_\_\_  
 \_\_\_\_\_

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5
--	---	---	---	---	---

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

Examine these issues much more strictly and challenge these issues.

---

---

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

Examine these issues much more strictly and challenge these issues.

---

---

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.

	1	2	3	4	5
--	---	---	---	---	---

**Evaluation**  
**OWI SFST Testing**  
**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

**Phase I of OWI Detection: Vehicle in Motion**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

*thinking of the positive things client did i address/bring them up*

---

---

**Phase II of OWI Detection: Personal Contact**

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

**Phase III of OWI Detection: Pre-Arrest Screening**

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

**Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand**

***Phase I of OWI Detection: Vehicle in Motion***

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

*Not give up!*

---

---

***Phase II of OWI Detection: Personal Contact***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5
--	---	---	---	---	---

**Evaluation**  
**OWI SFST Testing**  
**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

***Phase III of OWI Detection: Pre-Arrest Screening***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---

***Field Sobriety Tests: HGN, 9 Step walk and turn and 1 leg stand***

Overall, this Lance gave me valuable information on attacking the reliability of field sobriety tests:	1	2	3	4	5
--	---	---	---	---	---

I will mount an attack on this evidence in the next case where it is a critical part of the state's proof.	1	2	3	4	5
--	---	---	---	---	---

**Evaluation**  
**OWI SFST Testing**  
**Friday, April 5, 2013**  
*Renaissance Indianapolis North, Carmel*

IPDC offered this program to encourage the adoption and mastery of new knowledge, skills, and tools. We realize that knowing the value of skills and behaviors and doing something real to apply them in your practice will make all the difference. To that end please take several minutes to complete this evaluation; your honest responses will improve our programs and your skills.

***Phase I of OWI Detection: Vehicle in Motion***

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Overall, Lance gave me valuable information.	1	2	3	4	5

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---

***Phase II of OWI Detection: Personal Contact***

Overall, Lance gave me valuable information.	1	2	3	4	5
--	---	---	---	---	---

As a result of this lecture, I will make the following change in my defense of OWI cases:

---

---

---
