Role of CASA's in CHINS/TPR Cases

Leslie Dunn

Overall, this presenter gave me a thorough overview of the role of GAL/CASA's in CHINS/TPR cases.

1 2 3 4 5

This presentation helped me understand the role of GAL/CASA's in DCS roundtables.

1 2 3 4 5

What changes will you make as a result of what you learned?

perhaps have more communication w/ lesie when the behaviors

I have heretofore believed to be "hinky" (and now know to be expressly unethical for GAL/CASA) occur.

Evidence-Based Treatment and Assessment: Current Trends and Diagnostic Concerns

Dr. Robin Kohli

Overall, this lecture gave me valuable information about assessing and treating trauma in children.

1 2 3 4 5

Overall, this lecture gave me valuable information about reactive attachment disorder.

1 2 3 4 5

Please comment on how you will apply what you learned in your representation of clients:

This information did not seem particularly applicable to our client

population, particularly as Dr. Kohli specifically noted that CHINS kids are too complicated to be the basis of EBP studies, therefore there are no good EBP for the population. I will, however be challenging RAD ~~case~~ diagnoses given the lack of definition or standard.

Legislative Update

Andrew Cullen

Overall, this presenter gave me valuable information on the new possible laws for CHINS/TPR

1 2 3 4 5

Please describe how your advocacy will change as a result of this lecture:

- not very much on CHINS

Permanency Roundtables: An Internal Review Seeking Best Permanency Practices

Reba James and Joseph Combs

Overall, these presenters gave me valuable information regarding the new permanency roundtables.

1 2 3 4 5

Overall, it was helpful to have DCS representatives available to answer questions about DCS procedures.

1 2 3 4 5

Describe how you will address these permanency roundtables in your defense practice in CHINS cases:

The PRT seems to be well down the road from parental involvement, now, mostly but perhaps it can be pushed for in late-stage CHINS cases

Appellate Practice Tips

Cara Weineke

Overall, this presenter gave me valuable practice tips on TPR/CHINS appellate representation.

1 2 3 4 5

5

Please tell us one way in which your lawyering, if you do appellate work, will improve in light of what you learned:

Case Law and Statutes Update

Katy Cornelius

Overall, this presenter gave me valuable information concerning the latest statutes and case law.
