 - i. **Indiana State Chamber Regional Review (Central Indiana)**
36% can't find skilled workforce, 66% increase in workforce. Disconnect between employers and all of the tools and systems and processes and entities that could connect them with the workforce. Any company or organization is part of the Chamber's report that has had a connection with the Chamber—may not be representative of all businesses. Small businesses may have more issues.
 - ii. **Employ Indy Regional Review (Central Indiana)**
Brooke Huntington answered questions about the Hire Up Report.
- III. Discussion:
