BOARD DEVELOPMENT

"Empowering Local Leadership for Indiana Soil and Water Conservation"

Effective District Boards must attract and maintain strong local leaders for conservation. Participants in the Leadership Institute's Cornerstone Board Development will gain the skills to increase their District Board's effectiveness and success.

- Understanding Group Dynamics
- Serving on SWCD Boards and Committees
- Understanding Group Problem Solving and Decision-making
- Better Meeting Management
- Understanding Roles and Responsibilities with SWCD and Partners
- Supervisor Recruitment and Retention

Please Join Us

September 9-10, 2011

at Big Splash Adventure-French Lick, IN

Friday evening's activities begin with a 10 mile scenic ride aboard the French Lick Scenic Railway. Following, we'll have a buffet dinner at the Black Buggy Amish Restaurant & Bakery. Other attractions for spouses include shopping & sightseeing in historic French Lick & West Baden. Come visit with other SWCDs in this unique community that has been welcoming guests for over 100 years.

For more information, please visit our Web site at:
