

INDIANA LEAD & HEALTHY HOMES PROGRAM
INDIANA STATE DEPARTMENT OF HEALTH

LIST of INDIANA-LICENSED RADON PROFESSIONALS

The individuals [or their] companies specified on the attached list of licensed radon professionals have satisfied the requirements of 410 IAC 5.1, Indiana's rule for the licensing of radon personnel. **This list includes those individuals who currently hold a valid license.**

All licensed personnel have available [for your inspection] a card which indicates their licensed discipline and the expiration date of their license. Parties utilizing a contractor from the attached list should check the expiration date on the license of the contractor to insure that their license has not expired.

The Indiana Lead & Healthy Homes Program DOES NOT RECOMMEND OR GIVE PREFERENCE to any individual, nor will it be held liable for any actions, contracts, or negligence of the individuals or contractors licensed by our office or included on this list.

The Indiana Lead & Healthy Homes Program periodically updates the list of licensed radon professionals and makes the list available upon request. If you have any questions concerning the individuals specified on the attached list please call 317-233-1250. Thank you.

The following definitions may help you decide which Radon Professional to contact.

Primary Radon Tester can:

- Measure radon utilizing radon-detection instruments and/or passive radon monitors.
- Place passive monitors in buildings.

Radon Laboratory Tester can:

- Manufacture and/or analyze passive radon monitors;
- Measure radon utilizing detection instruments and/or passive radon monitors.
- Place passive radon monitors in buildings.

Secondary Radon Tester can ONLY:

- Place passive radon monitors in buildings.
