No illnesses have been reported as of 11/15/2012.

This recall was initiated after it was discovered that product containing walnuts was distributed in packaging that did not reveal the presence of walnuts. Subsequent investigation indicates the

problem was caused by a temporary breakdown in the company's production and packaging processes.

Retailers are asked to remove these products from their shelves immediately and new product with proper labeling will be exchanged. Customers who have purchased these products should be aware that these products could possibly contain nut allergens.

Customer service representatives are available between 8:30 AM and 4:00 PM CST Monday through Friday at 1-800-233-5443.
