Help Contribute to Our Efforts to Assess
the Overall Health of Your Community.

- Do you want to help improve quality of life in Indiana?
- Can you help us understand the needs of our state that may help reduce the risk of alcohol and drug abuse?
- Can you spare some time?

If so, please take our survey!

Your involvement is important to Indiana

We at the Center for Health Policy, here in Indiana, provide leadership and technical support for the State Epidemiology and Outcomes Workgroup, and develop, implement, and coordinate a statewide program evaluation initiative to assess the impact of new prevention programs funded as part of Indiana's Strategic Prevention Framework State Incentive Grant program.
