RE: Final Adoption of the Acute Care Licensure Fees Rule, 410 IAC 15-5

The Indiana State Department of Health (ISDH) Health Care Quality and Regulatory Commission requests the Executive Board, at the Board's September 12, 2012 meeting, finally adopt the administrative rule governing the Licensure Fees for Hospitals, Ambulatory Outpatient Surgical Centers, Abortion Clinics, and Birthing Centers, 410 IAC 15-5. The proposed rule would continue the licensure fees for hospitals, ambulatory outpatient centers, abortion clinics, and birthing centers that were formerly found at 414 IAC 1. The only difference in this proposed rule from 414 IAC 1 is that the name of the ambulatory outpatient surgical center reporting form referenced in the rule has been corrected.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on May 23, 2012 starting the one year period to adopt this rule. The proposed rule was preliminarily adopted by the Executive Board at the July 11, 2012 meeting. A public hearing was held on September 6, 2012 and no comments were received.
