

Nursing Home Survey on Patient Safety

In this survey, "resident safety" means preventing resident injuries, incidents, and harm to residents in the nursing home.

This survey asks for your opinions about resident safety issues in your nursing home. It will take about 15 minutes to complete. To mark your answer, fill in the circle for each question. If a question does not apply to your job or you do not know the answer, please mark the circle in the last column. If you do not wish to answer a question, you may leave your answer blank.
