FROM: 
A. Scott Gilliam, MBA, CP-FS
Director, Food Protection Program

SUBJECT: Royal Sweet Bakery, Inc. Recall

SUGGESTED

ACTION: Unclassified Recall; **HERRING IN VEGETABLE OIL FILLING** because the fish was improperly eviscerated prior to processing; Recommend notification of affected stores via phone, fax or e-mail.

From the information provided by FDA, the product being recalled may have been distributed in the State of Indiana. The recalled **HERRING IN VEGETABLE OIL FILLING** comes in a 49.38 oz. plastic tub with date codes of 06.04.2011 and 09.06.2011 and is a product of Russia. **HERRING IN VEGETABLE OIL FILLING** was sold nationwide. Detail information is not available at this time. In addition, if any recalled products are found, please notify this office at 317-233-7360.

Recall -- Firm Press Release

FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

Royal Sweet Bakery, Inc. Issues an Alert on Uneviscerated Fish

Contact:
Michael Yusim
718-567-7770

FOR IMMEDIATE RELEASE - April 18, 2011 - Royal sweet Bakery, Inc at 119 49 street, Brooklyn, NY, 11232 is recalling HERRING IN VEGETABLE OIL FILLING discovered by New York State Department of Agriculture and Markets Food Inspectors during a routine inspection and subsequent analysis of product by Food Laboratory personnel confirming that the fish was improperly eviscerated prior to processing.

This product may be contaminated with Clostridium botulinum spores, which can cause Botulism, a serious and potentially fatal food-borne illness.

The sale of this type of fish is prohibited under New York State Agriculture and Markets regulations because Clostridium botulinum spores are more likely to be concentrated in the viscera than any other portion of the fish. Uneviscerated fish has been linked to outbreaks of botulism poisoning. Symptoms of botulism include blurred or double vision, general weakness and poor reflexes, difficulty in swallowing and respiratory paralysis.

The recalled HERRING IN VEGETABLE OIL FILLING comes in a 49.38 oz. plastic tub with date codes of 06.04.2011 and 09.06.2011 and is a product of Russia. HERRING IN VEGETABLE OIL FILLING was sold nationwide.

No illnesses have been reported to date in connection with this problem. Consumers who have HERRING IN VEGETABLE OIL FILLING are advised not to eat it, but should return it to the place of purchase. Consumers with questions may contact the company at 718-567-7770.
