Send To:

Purdue University
Nelson Hall of Food Science, Room 3167
Rhonda Taylor, Research Assistant
745 Agriculture Mall Drive
West Lafayette, IN 47907-2009
(765) 494-6702
taylo236@purdue.edu

Select from the following:

- Sample pH** (\$50 donation per sample, 100g (4oz) minimum requirement)
- Sample water activity (\$50 donation per sample, 100g (4oz) min. requirement)
- Sample both pH & water activity** (\$75 donation per sample, 100g (4oz) minimum requirement)

Important Please Note:

** Please submit entire list of ingredients of sample product, including brand names and product information of the ingredients.

Some products with sizeable particles (i.e. onions, peppers, etc) may need additional pH testing. Individual ingredients will need to be submitted and analyzed separately to properly assess whether food product is categorized as a high acid or acidified food. There will be an additional donation of \$20 per ingredient (100 g sample minimum requirement per ingredient) analyzed.

DISCLAIMER

Product Liability Indemnity

Sponsor will indemnify, hold harmless and defend Purdue University, the Trustees of Purdue, and their respective officers, directors, trustees, employees, and agents (the "indemnified parties") against any and all claims, demands, actions, liability, and expenses ("claims"), related to or arising out of 1) Sponsor's use of any deliverables resulting from the project reports, inventions, patents, licenses, or other property or rights accruing to Sponsor hereunder (the "deliverables"), or 2) the development, testing, manufacturing, sale, disposition, or use of any product, device, or object based on the deliverables.
