Select from the following:

- Sample pH** (\$50 donation per sample, 100 g minimum requirement)
- Sample water activity (\$50 donation per sample, 100 g min. requirement)

Important Please Note:

** Please submit entire list of ingredients of sample product, including brand names and product information of the ingredients.

Some products with sizeable particles (i.e. onions, peppers, etc) may need additional pH testing. Individual ingredients will need to be submitted and analyzed separately to properly assess whether food product is categorized as a high acid or acidified food. There will be an additional donation of \$20 per ingredient (100 g sample minimum requirement per ingredient) analyzed.
