Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (see instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 0687 SS=D Bldg. 00	483.25(b)(2)(i)(ii) Foot Care §483.25(b)(2) Foot care.		comprehensive care plans are completed within the 21-day time frame allotted by the RAI guidelines. The Care Plan Development/Implementation Quality Review will be completed on five residents a week for twelve weeks. Any concerns identified during the reviews will be addressed at the time of the review and additional education will be completed at that time. Following the initial twelve-week audit, the Care Plan Development/Implementation Quality Review Audit will be completed on ten residents a month for four months. The results of these audits will be submitted to the Quality Assurance Performance Improvement Committee monthly. The QAPI Committee will determine if additional education or competencies are required, based on the compliance reported from the Quality Reviews. Audits will continue monthly until 100% compliance has been determined by the QAPI committee. - Date of Compliance-12/2/2021
