## COMMUNITY INDICATORS

---

### **Protect and maintain local tobacco control coalition**

infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

### **Protect Hoosiers from exposures to secondhand smoke by:**

- Implementing tobacco-free campus policies for hospitals, health care centers, mental health centers and clinics, and addiction treatment centers
- Working toward smoke-free policies in public housing

### **Decrease adult smoking rates by:**

- Promoting the Indiana Tobacco Quitline (1-800- QUIT NOW) throughout the community
- Working with health care providers to ensure they ask, advise, and refer their patients to tobacco treatment

### **Decrease youth smoking rates by:**

- Promoting community support for tobacco point-of-sale strategies at the local level
