COMMUNITY INDICATORS

Protect and maintain local tobacco control coalition infrastructure needed to combat tobacco use, as well as working with community organizations to reduce tobacco use among those groups most impacted by tobacco

Protect Hoosiers from exposures to secondhand smoke by:

- Supporting local and/or statewide smoke-free air ordinances for worksites, including restaurants, bars, and gaming facilities
- Working toward smoke-free policies in public housing

Decrease youth smoking rates by:

- Supporting community efforts for counter tobacco point-of-sale strategies at the local level

Decrease adult smoking rates by:

- Promoting the Indiana Tobacco Quitline (1-800- QUIT NOW) throughout the community
- Working with health care providers to ensure they ask, advise, and refer their patients to tobacco treatment
- Supporting employers to create a healthier workforce through providing tobacco employer-sponsored cessation resources to their employees
