INDIANA UTILITY
REGULATORY COMMISSION

RE: Town of Cedar Lake Water Utility;
Thirty-Day Filing for Revision to Language Associated with Tap Fees

Dear Ms. Howe:

This filing is being made on behalf of the Town of Cedar Lake Water Utility (Cedar Lake) under the Commission's Thirty-Day Administrative Filing Procedures and Guidelines pursuant to 170 IAC 1-6-1, et seq. The purpose of this Thirty-Day Filing is to request approval for a change in language to its current tap on fee. These changes are made with the encouragement of the Director of Consumer Affairs (CAD) in the decision in the informal Complaint No. 88344. Such changes should not be perceived as agreement with the final decision by CAD which the Town has appealed under Cause No. 43895. The Town will continue with its appeal for the reasons set forth in its Petition and as otherwise described by its argument to the Commission in that Cause.

Please find enclosed as Exhibit 1 an original and three (3) copies of revisions to Cedar Lake's Tariff for Water Service, reflecting the proposed changes.

Cedar Lake affirms that it has or is in the process of providing notice pursuant to 170 IAC 1-6-6. Specifically, a notice regarding the filing is attached hereto as Exhibit 2. Notice will be submitted for publication not later than July 9, 2010 in the Hammond Times and the Post Tribune, newspapers of general circulation in the Town, where the largest number of Cedar Lake's customers are located. Cedar Lake also affirms that the notice has been posted in a conspicuous location on the utility's website at <http://www.cedarlakein.org> and at the utility billing office.

This filing is an allowable request under 170 IAC 1-6-1 et seq., because it is a change through clarifying language, to the rules and regulations of the utility.
