INDIANA UTILITY REGULATORY COMMISSION

RE: B&B Water Project, Inc.
Fourteen-Day Filing for Simultaneous Revision to Wholesale Water Cost
Tracking Factor Pursuant to IC 8-1-2-61.6

Dear Ms. Howe:

This filing is being made on behalf of the B&B Water Project, Inc. ("B&B Water") under the Commission's Thirty-Day Administrative Filing Procedures and Guidelines pursuant to 170 IAC 1-6-1, et seq., and IC 8-1-2-61.6. B&B Water's wholesale water supplier, Bloomington Municipal Water Utility ("Bloomington"), has requested a rate increase for its wholesale rates under IURC Cause No. 43939. The purpose of this Fourteen-Day Filing is to request a revision to the current Wholesale Water Tracking Rate included in Appendix A to B&B Water's current tariff, simultaneously with the approval of Bloomington's rate request. Please find enclosed as Exhibit 1 an original and three (3) copies of the filing, including revisions to B&B Water's Tariff for Water Service reflecting the proposed changes, and work papers showing the current proposed wholesale water costs supporting the requested water tracking rate.

B&B Water affirms that it is providing notice pursuant to 170 IAC 1-6-6. Specifically, a notice regarding the filing is attached hereto as Exhibit 1.

The filing is an allowable request under 170 IAC 1-6-1, et seq., because it is a change in its wholesale water rate paid to Bloomington, is across-the-board, and does not reflect an increase by B&B Water other than in costs from its wholesale supplier.

Upon approval of the Tariff attached as Exhibit 1, please return two (2) file-marked and approved copies for our files.

My contact information is listed below if any questions concerning this submission.

Sincerely,

William Koch, Treasurer
