RE: Southern Monroe Water Corporation  
Fourteen-Day Filing for Simultaneous Revision to Wholesale Water Cost  
Tracking Factor Pursuant to IC 8-1-2-61.6

Dear Ms. Howe:

This filing is being made on behalf of the Southern Monroe Water Corporation. ("Southern Monroe") under the Commission's Thirty-Day Administrative Filing Procedures and Guidelines pursuant to 170 IAC 1-6-1, et seq., and IC 8-1-2-61.6. Southern Monroe's wholesale water supplier, Bloomington Municipal Water Utility ("Bloomington"), has requested a rate increase for its wholesale rates under IURC Cause No. 43939. The purpose of this Fourteen-Day Filing is to request a revision to the current Wholesale Water Tracking Rate included in Appendix A to Southern Monroe's current tariff, simultaneously with the approval of Bloomington's rate request. Please find enclosed as Exhibit 1 an original and three (3) copies of the filing, including revisions to Southern Monroe's Tariff for Water Service reflecting the proposed changes, and work papers showing the current proposed wholesale water costs supporting the requested water tracking rate.

Southern Monroe affirms that it is providing notice pursuant to 170 IAC 1-6-6. Specifically, a notice regarding the filing is attached hereto as Exhibit 1.

The filing is an allowable request under 170 IAC 1-6-1, et seq., because it is a change in its wholesale water rate paid to Bloomington, is across-the-board, and does not reflect an increase by Southern Monroe other than in costs from its wholesale supplier.

Upon approval of the Tariff attached as Exhibit 1, please return two (2) file-marked and approved copies for our files.

My contact information is listed below if any questions concerning this submission.

Sincerely,

Samuel Wellman, President
