RE: Thirty Day Filing for Vectren South

Dear Ms. Becerra:

This filing is being made on behalf of Southern Indiana Gas and Electric Company d/b/a Vectren Energy Delivery of Indiana, Inc. (Vectren South) under the Commission's Thirty-Day Administrative Filing Procedures and Guidelines (Guidelines) to request approval of the following modifications to the Vectren South Tariff for Electric Service:

1. Rider ED - Economic Development Rider (Sheet No. 58, Page 3 of 3)
  - a. To clarify the Contract terms under which a new customer may receive Service
  - b. To revise the "Expiration" section with a "Termination" section which will allow the Rider to continue without a firm deadline within the Tariff, but still allow for a twelve (12) month notice of termination by the Company to the Commission.
2. Rider AD - Area Development Rider (Sheet No. 59, Page 2 of 3 and Page 3 of 3)
  - a. To clarify the Contract terms under which a new customer may receive Service
  - b. To revise the "Expiration" section with a "Termination" section which will allow the Rider to continue without a firm deadline within the Tariff, but still allow for a twelve (12) month notice of termination by the Company to the Commission.

Vectren South is making this filing to clarify the terms and continue the applicability of Rider ED and Rider AD, which both currently expire on December 31, 2016. Both riders were approved by the Commission's April 27, 2011 Order in Vectren South's last base rate case in Cause No. 43839. Vectren South requested a one (1) year extension through December 31, 2016 in Thirty-Day Filing No. 3408 which was approved by the Commission on January 20, 2016. The intent of these riders was and is to promote economic development in Vectren South's service territory. Given that there is continued viable customer interest in these rate options, Vectren South believes it is appropriate to continue them at this time. Vectren South is proposing these changes to provide clarification on the Contract terms under which a new customer may receive Service, and also to eliminate the expiration date to allow the Rider to continue without a firm deadline within the Tariff, but will still allow for a twelve (12) month notice of termination from the Company to the Commission.

This filing is an allowable request under the Guidelines because it is a filing to change rules and regulations of the utility.
