ANNUAL CERTIFICATION
NUNC PRO TUNC ORDER

APPROVED: OCT 01 2008

BY THE COMMISSION:

David E. Ziegner, Commissioner
Lorraine Hitz-Bradley, Administrative Law Judge

On May 23, 2001, the Federal Communications Commission ("FCC") issued an Order¹ ("the FCC's RTF Order") assigning to state commissions the responsibility of certifying whether rural carriers are using federal high-cost support in a manner consistent with the requirements of Section 254(e) of the Telecommunications Act of 1996. Pursuant to Section 254(e), carriers must use universal service support "only for the provision, maintenance, and upgrading of facilities and services for which the support is intended." The FCC's RTF Order provided that state certifications should be submitted by October 1 each year for payments to be made during the following calendar year. If a rural carrier is not certified by its state commission, it will not receive federal high-cost support.

On September 24, 2008, the Indiana Utility Regulatory Commission ("Commission") issued its annual certification order for carriers certified as eligible telecommunications carriers in Indiana. Due to a clerical error, a carrier was wrongly identified on the list as Sprintcom and Wirelesco d/b/a Sprint PCS, HLS-47. We therefore issue this *nunc pro tunc* to clarify that the attached list represents the carriers certified and that the correct entity is Sprint Nextel. In accordance with the FCC's RTF Order, we direct the Commission's Secretary to inform the Universal Services Administrative Company ("USAC") and the FCC that this Commission has certified that the carriers identified in Amended Attachment A to this Order have met the requirements of Section 254(e) and the FCC's RTF Order.

IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:

1. The Indiana carriers identified in Amended Attachment A to this Order shall be, and hereby are, certified by this Commission as having satisfied the requirements of Section 254(e) and the FCC's RTF Order.

¹ *In the Matter of Federal-State Board on Universal Service and the MAG Plan, Fourteenth Report and Order*, CC Docket Nos. 96-45 and 00-256.

2. The Commission's Secretary shall inform the FCC and USAC by October 1, 2008 that the aforementioned Indiana carriers have been so certified.

3. The Commission's Secretary shall forward a copy of this Order to all carriers identified in Amended Attachment A.

4. This Order shall be effective on and after the date of its approval.
