INDIANA UTILITY REGULATORY COMMISSION

HOWARD ENTERPRISES, INC., D/B/A PCS-)
WIN, APPLICATION FOR A CERTIFICATE) CAUSE NO. 43697
OF TERRITORIAL AUTHORITY FOR)
COMMUNICATIONS SERVICE PROVIDERS) APPROVED:

AUG 12 2009

BY THE COMMISSION:

David E. Veleta, Administrative Law Judge

On May 29, 2009, Howard Enterprises, Inc. d/b/a PCS-WIN ("Applicant") filed with the Indiana Utility Regulatory Commission ("Commission") its Application for a Certificate of Territorial Authority ("CTA") to provide **communications services, including information services as defined in 47 U.S.C. 153(20)** as described in the Application within the State of Indiana. The Commission published notice that Applicant filed an application for a CTA to provide communications services within the State of Indiana. Absent a timely request, the Application may be granted without a hearing.

Based upon information contained in the Application and applicable law, the Commission makes the following findings:

1. **Commission Notice and Jurisdiction.** Due, legal and timely notice of the Application was given and published by the Commission in accordance with General Administrative Order ("GAO") 2009-4 and I.C. § 8-1-32.5-9. Applicant requests the issuance of a CTA pursuant to I.C. § 8-1-32.5 and, therefore, the Commission has jurisdiction over the Applicant and the subject of this Cause.

2. **Commission Discussion and Findings.** The Applicant filed an application for a CTA and information describing its legal authority to provide the proposed communications services in certain identified service areas. The Applicant also provided information indicating the type, means and location of service that the Applicant proposes to provide.

The Application was filed with the Commission on May 29, 2009. On July 8, 2009, Applicant provided additional information to the Commission. Notice of the Application was posted to the Commission's website. No timely written request for intervention or a hearing was made by any entity during the 30-day posting period, and the Commission has not, on its own motion, determined a need for a hearing in this Cause. Accordingly, no hearing is required in this Cause.

Therefore, based upon the information provided by the Applicant in its Application, the Commission finds that a Certificate of Territorial Authority for **broadband information services** proposed to be offered within the service areas identified in the Application should be issued to the Applicant, consistent with and subject to the following findings.

The Applicant shall comply with all applicable legal requirements pertaining to the provision of the communications services authorized by this CTA, including, but not limited to, the following.

a. **Notice of Initiation of Service.** Pursuant to I.C. §§ 8-1-32.5-6(b)(3)(D) and 8-1-32.5-6(a)(9)(A), filing of a notice with the Secretary of the Commission of Applicant's "in service" dates (i.e., the dates on which Applicant commences offering communications service in each service geographic area identified in the Application in accordance with I.C. § 8-1-32.5-6(a)(4)) within ninety (90) days of each "in service" date.

b. **Additional Filing Requirements.** Filing of any other data, information, or reports required or requested by the Commission, including but not limited to information concerning the types of service offered, the geographic areas in which the services are offered and any information needed by the Commission.

c. **Indiana Underground Plant Protection Service.** Establishing and maintaining contact with, and providing appropriate notice to, the Indiana Underground Plant Protection Service, the designated administrator of the 811 dialing code in Indiana, and complying with I.C. § 8-1-26.

d. **Notice of Changes.** Notifying the Commission after the issuance of this certificate of the occurrence of any change involving either the Applicant or the certificate issued, pursuant to I.C. § 8-1-32.5-12 and GAO 2009-4.

e. **Other Customer Notifications.** Providing appropriate notice to customers when Applicant offers new communications services, discontinues communications services, and/or increases rates and charges for communications services in any of the Applicant's service areas in Indiana pursuant to I.C. § 8-1-32.5-11(b) and any regulations adopted by the Commission.

IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:

1. Subject to the Findings set forth in this Order, the Applicant Howard Enterprises, Inc., d/b/a PCS-Win is hereby issued a Certificate of Territorial Authority as a Communications Service Provider to provide the following **Information Services** as requested in the Application that is the subject of this Order: **Broadband Services**.

2. This Order shall be effective on and after the date of its approval.
