STATE OF INDIANA

INDIANA UTILITY REGULATORY COMMISSION

MILLICORP APPLICATION FOR A)
CERTIFICATE OF TERRITORIAL) CAUSE NO. 43807
AUTHORITY FOR COMMUNICATIONS)
SERVICE PROVIDERS) APPROVED:

MAR 31 2010

BY THE COMMISSION:
DeAnna L. Brunner, Administrative Law Judge

On October 9, 2009, Millicorp (“Applicant”) filed with the Indiana Utility Regulatory Commission (“Commission”) its Application for a Certificate of Territorial Authority (“CTA”) to provide communications services, **specifically information services as defined in 47 U.S.C. 153(20)** as described in the Application within the State of Indiana. On November 19, December 2, December 3, 2009, and March 5, 2010, Applicant filed amendments to the Application for a CTA. The Commission published notice that Applicant filed an application for a CTA to provide communications services within the State of Indiana. Absent a timely request, the Application may be granted without a hearing.

Based upon information contained in the Application and applicable law, the Commission makes the following findings:

1. Commission Notice and Jurisdiction. Due, legal and timely notice of the Application was given and published by the Commission in accordance with General Administrative Order (“GAO”) 2009-4 and I.C. § 8-1-32.5-9. Applicant requests the issuance of a CTA pursuant to I.C. § 8-1-32.5 and, therefore, the Commission has jurisdiction over the Applicant and the subject of this Cause.

2. Commission Discussion and Findings. The Applicant filed an application for a CTA and information describing its legal authority and demonstrating its financial, managerial and technical ability to provide the proposed communications services in certain identified service areas. The Applicant also provided information indicating the type, means and location of service that the Applicant proposes to provide.

The Application was filed with the Commission on October 9, 2009. Notice of the Application was posted to the Commission’s website. No timely written request for intervention or a hearing was made by any entity during the 30-day posting period, and the Commission has not, on its own motion, determined a need for a hearing in this Cause. Accordingly, no hearing is required in this Cause.

Therefore, based upon the information provided by the Applicant in its Application, the Commission finds that a Certificate of Territorial Authority for information services proposed to be offered within the service areas identified in the Application should be issued to the Applicant, consistent with and subject to the following findings.

The Applicant shall comply with all applicable legal requirements pertaining to the provision of the communications services authorized by this CTA, including, but not limited to, the following.

a. **InTRAC.** Establishing and maintaining contact with the Indiana Telephone Relay Access Corporation for the Hearing and Speech Impaired (“InTRAC”) and payment of all fees required by I.C. § 8-1-2.8 *et seq.*

c. **E-911.** Providing notice to all counties and Public Service Answering Points (“PSAPs”) covering areas in which the Applicant provides local exchange service when the offering of service commences in the county and the PSAP’s area, in order to facilitate the continued operation of the enhanced emergency telephone systems defined and described in I.C. § 36-8-16, *et seq.*, and providing PSAP database updates to applicable 911 Service Providers, as required under I.C. § 36-8-16-16.
