WITH CERTAIN FINDINGS OF THE )  
COMMISSION'S ORDER IN CAUSE NO. 44147 )

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On April 11, 2013, Ohio Valley Gas Corporation and its wholly-owned subsidiary, Ohio Valley Gas, Inc. (collectively "Joint Petitioners") filed their *Proposed Procedural Schedule* ("Motion") in the above-captioned Cause.

The Presiding Officers, having reviewed the Motion, and being duly advised in the premises, hereby GRANT the Motion and establish the following procedural schedule in this matter:

1. **Joint Petitioner's Prefiling Date.** The Joint Petitioners prefiled with the Commission their prepared testimony and exhibits constituting their case-in-chief on March 4 and 5, 2013. Copies of same were served upon all parties of record.
2. **OUC's and Intervenors' Prefiling Date.** The OUC and all Intervenors shall prefile with the Commission the prepared testimony and exhibits constituting their respective cases-in-chief on or before April 30, 2013. Copies of same shall be served upon all parties of record.
3. **Petitioner's Rebuttal Prefiling.** The Joint Petitioners shall prefile with the Commission their prepared rebuttal testimony on or before May 16, 2013. Copies of same shall be served upon all parties of record.
4. **Evidentiary Hearing on the Parties' Cases-In-Chief.** The cases-in-chief of the Joint Petitioners, the OUC and any Intervenors shall be presented in an evidentiary hearing to commence at 9:30 a.m. on May 30, 2013 in Room 224 of the PNC Center, 101 West Washington Street, Indianapolis, Indiana. At such time, the direct evidence of the respective parties should be presented and their respective witnesses examined. Thereafter, the Joint Petitioners should present their prefiled rebuttal evidence as well as any additional evidence rebutting evidence

adduced on cross-examination of the OUCC's or Intervenors' witnesses. If the parties reach settlement, the agreement and supporting testimony and exhibits shall be submitted to the Commission five (5) business days prior to the Evidentiary Hearing.

5. **Sworn Testimony.** Any witness testimony to be offered into the record of this proceeding shall be made under oath or affirmation. In accordance with 170 IAC 1-1.1-18(h), if the prefiled testimony of a witness is to be offered into evidence at the Evidentiary Hearing, and the witness sponsoring the prefiled testimony is not required to, and does not, attend the Evidentiary Hearing, the prefiled testimony shall be accompanied by the witness's sworn affidavit or written verification at the time the evidence is offered into the record.

6. **Discovery.** Discovery is available for all parties and shall be conducted on an informal basis. Any response or objection to a discovery request shall be made within five (5) business days of the receipt of such request. Discovery served after noon on the last business day of the week shall be deemed to have been served on the next business day.

7. **Prefiling of Workpapers.** When prefiling technical evidence with the Commission, each party shall file copies of the work papers used to produce that evidence within two (2) business days after the prefiling of the technical evidence. Copies of same shall also be provided to any other party requesting such in writing. When submitting workpapers to the Commission, two (2) copies of each document shall be filed with the Secretary of the Commission.

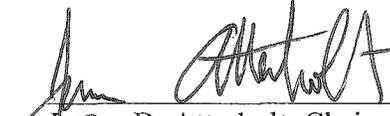

8. **Number of Copies/Corrections.** With the exception of work papers, the parties shall file with the Commission an original and five (5) copies of all prefiled testimony and exhibits. Any corrections to prefiled testimony shall be made in writing as soon as possible after discovery of the need to make such corrections. Although the Commission's rules require that original copies be one-sided, it is the Commission's preference that duplicate copies use both sides of the paper.

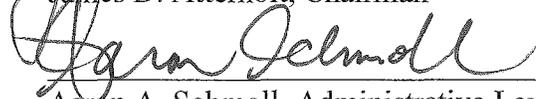

Parties may also elect to file documents with the Commission using the Commission's Electronic Filing System in lieu of filing paper documents. Pursuant to the terms and conditions of the Electronic Filing System, documents filed electronically are deemed filed the date they are submitted, subject to verification and acceptance by the Commission, and will receive an electronic file stamp. For filings greater than thirty (30) pages in length, a party shall file with the Commission an original and one (1) paper copy within two (2) business days of the electronic filing. When supplying such copies, the party must provide a copy of the email reflecting the electronic filing was accepted by the Commission.

9. **Objections to Prefiled Testimony and Exhibits.** Any objections to the admissibility of prefiled testimony or exhibits shall be filed with the Commission and served on all parties of record no less than two (2) business days prior to the date scheduled for commencement of the hearing at which the testimony or exhibit will be offered into the record.

10. Intervenors. Any party permitted to become an Intervenor in this Cause shall be bound by the record as it stands at the time its Petition to Intervene is granted, pursuant to 170 IAC 1-1.1-11.

IT IS SO ORDERED.
