ORDER OF THE COMMISSION

**Presiding Officer:**  
**Marya E. Jones, Administrative Law Judge**

On April 5, 2013, LDC Group, LLC, d/b/a Dash Tel (“Applicant”) filed with the Indiana Utility Regulatory Commission (“Commission”) its Application for a Certificate of Territorial Authority (“CTA”) to provide communications services, specifically telecommunications services as defined in 47 U.S.C. 153(46)<sup>1</sup> and described in the Application, within the State of Indiana. Applicant filed amendments to its Application on April 30, 2013. Applicant filed certain financial information with the Commission on May 9, 2013, as required by Ind. Code §8-1-32.5-6(b)(2). The Commission published notice that Applicant filed an Application for a CTA to provide communications services within the State of Indiana. Absent a timely request, the Application may be granted without a hearing.

Based upon information contained in the Application and applicable law, the Commission makes the following findings:

**1. Commission Notice and Jurisdiction.** Due, legal and timely notice of the Application was given and published by the Commission in accordance with General Administrative Order (“GAO”) 2011-2 and Ind. Code § 8-1-32.5-9. Applicant requests the issuance of a CTA pursuant to Ind. Code ch. 8-1-32.5 and, therefore, the Commission has jurisdiction over the Applicant and the subject of this Cause.

**2. Commission Discussion and Findings.** The Applicant filed an application for a CTA and information describing its legal authority and demonstrating its financial, managerial and technical ability to provide the proposed communications services in certain identified service areas. The Applicant also provided information indicating the type, means and location of service that the Applicant proposes to provide.

The Application was filed with the Commission on April 5, 2013, and subsequently amended on April 30, 2013. Notice of the Application was posted to the Commission’s website. No timely written request for intervention or a hearing was made by any entity during the 30-day posting period, and the Commission has not, on its own motion, determined a need for a hearing in this Cause. Accordingly, no hearing is required in this Cause.

<sup>1</sup> The definition of telecommunications service referenced and cited in Indiana Code ch. 8-1-32.5 as 47 U.S.C. 153(46) was amended October 8, 2010, by Public Law 111-260. P.L. 111-260 added seven new definitions to 47 U.S.C. 153. The definition of telecommunications service was not changed, but redesignated as 47 U.S.C. 153(53). The current version of Indiana Code ch. 8-1-32.5 refers to the definitions in 47 U.S.C. 153 prior to its amendment.

Therefore, based upon the information provided by the Applicant in its Application, the Commission finds that a Certificate of Territorial Authority for resold interexchange and local exchange services to residential and business customers proposed to be offered within the service areas identified in the Application should be issued to the Applicant, consistent with and subject to the following findings.

The Applicant shall comply with all applicable legal requirements pertaining to the provision of the communications services authorized by this CTA, including, but not limited to, the following:

a. **Public Utility Fees.** Applicant shall pay all public utility fees assessed by the Commission, pursuant to Ind. Code ch. 8-1-6.

(the designated administrator of the 211 dialing code in Indiana) to coordinate proper switch translations for the 211 dialing code described in Ind. Code ch. 8-1-19.5 to ensure that its customers can dial “211” when desired or, in the case of a bundled reseller of local exchange service, to ensure the facilities-based carrier has provided 211 Service.

d. **E-911.** Where applicable, Applicant shall provide notice to all counties and Public Service Answering Points (“PSAPs”) covering areas in which the Applicant provides local exchange service when the offering of service commences in the county and the PSAP’s area, in order to facilitate the continued operation of the enhanced emergency telephone systems, provide PSAP database updates to applicable 911 Service Providers and perform all other applicable obligations and responsibilities as set forth in Ind. Code ch. 36-8-16.7.

e. **Call Blocking.** Applicant shall offer per-call or per-line blocking for law enforcement and crisis intervention agencies, pursuant to Ind. Code § 8-1-2.9-2(a).
